# Security Problems And Policies In The Post Cold War Caribbean

**Martin Sicker**

## **Security Problems And Policies In The Post Cold War Caribbean:**

Security in the Caribbean Basin Joseph S. Tulchin, Ralph H. Espach, 2000 Since the end of the Cold War security concerns in the Caribbean have changed from containment of communism to transnational threats such as drugs illegal migration and natural disasters This text analyzes the situation and puts forward a framework for a cooperative regional security system

*Security Problems and Policies in the Post-Cold War Caribbean* Humberto Garcia Muniz, Jorge Rodriguez Beruff, 2016-07-27 This volume brings together contributions by eleven noted specialists on peace and security issues in the Caribbean All chapters are based on recent research on the radically transformed regional situation in the post Cold War context Particular emphasis is placed on the formulation of security policies by the most relevant security actors including both external powers present in the region independent states and subregional groupings This discussion is placed in the framework of post Cold War security outlooks which focus on non traditional threats mainly drugs and illegal migration

**Crime, Violence and Security in the Caribbean** M. Raymond Izarali, 2017-11-20 Security challenges pose significant hardship for citizens of Caribbean nations Public safety is threatened by high rates of crime especially violent crime in much of the region the plague of the illicit drug trade transnational organized crime gangs the current global proliferation of crimes of terrorism and related violent extremism and radicalization The situation diminishes morale among the youth their education and their future and operates as a major push factor Yet surprisingly there has been a scarcity of scholarly work that addresses these conditions This interdisciplinary volume succinctly responds to the gap in criminological and security studies on the Caribbean by drawing attention to the understudied nexus of crime violence and security that is so pervasive in the region and the ways in which underdevelopment re creates environments for insecurity The book is organized in three parts Part one encompasses conceptualizations of crime violence and punishment Part two takes up country cases on crime and security Part three addresses issues of regional security both public and private This timely volume will be valuable reading for scholars students practitioners and policy makers who share a critical interest in the scope impact and inter relationality of crime violence and in security in the region

**Rethinking Post-Cold War Russian-Latin American Relations** Vladimir Rouvinski, Victor Jelfets, 2022-06-07 Today there is plenty of evidence that Russia has become a prominent external actor in Latin America and the Caribbean Yet few books have attempted to better understand the reasons behind Russia s return and Moscow s continuous engagement in the region In order to fill the gap this volume offers the first interdisciplinary study of Russian Latin American relations after the end of the Cold War Across 16 chapters leading experts from Russia Europe the United States and Latin America collectively re examine the Soviet legacy to reveal the conditions in which Russia operates today and identify the key trends of contemporary Russian relations with this part of the world The book then moves on to provide a detailed case study analysis of Russia s bilateral relations with Venezuela Cuba Mexico Brazil Argentina and Colombia identifying the most critical dimensions of Russian engagement Rethinking Post Cold War

Russian Latin American Relations allows readers to identify the fundamental driving forces of Russia's renewed commitment to the area its strategies and experiences The book will be of interest to readers of international relations and area studies historians of modern Latin America migration studies political economy and any political scientists interested in Russian decision making

**The Geopolitics of Security in the Americas** Martin Sicker, 2001-11-30 Sicker examines the role of the United States within the Western Hemisphere and the geopolitical and geostrategic factors that have helped shape its policies in the region He demonstrates that such factors have contributed heavily to establishing the patterns of state development and interstate relations in the Western Hemisphere throughout its modern history The prevailing geopolitical environment has been conditioned to a large extent by the emergence of the United States as the unquestionably dominant power in the extensive region However that status did not exist at the time it achieved its independence It was brought about through almost incessant conflict with and expansion at the expense of other states nations and peoples over more than a century As a result the concerns and interests of the dominant power became and remain of necessity factors that states beyond the borders of the United States must take into consideration when pursuing their own national interests and policies As Sicker amply demonstrates failure to do so will often produce undesirable consequences for the offending state As is clear however the states of the hemisphere have their own geopolitical interests and concerns independent of and sometimes conflicting with those of the United States As Sicker shows throughout the volume and especially in his analysis of inter American conflicts many of the nations of Latin America have unresolved territorial controversies with their neighbors that date to their origins as independent states Because of this troubled geopolitical legacy there have been numerous conflicts among the states of Latin America some of which the United States has attempted to mediate or arbitrate and some that seem impervious to a permanent negotiated settlement This is a provocative analysis that will be of interest to scholars students researchers and policymakers involved with inter American relations and U S diplomacy

*Feminism and International Relations* Sandra Whitworth, 2016-01-18 This book provides a critique of the discipline of international relations from a feminist perspective The critique is developed first theoretically Then the author examines both feminist theories and theories of international relations with a view to developing an approach to world politics which incorporates an analysis of gender and gender relations The critique is secondly developed through the application of the notion of gender to the activities of two international institutions the International Parenthood Federation and the International Labour Organisation

**Diasporic Citizenship** Michel S. Laguerre, 2016-07-27 This book briefly delineates the history of the Haitian diaspora in the United States in the nineteenth century but it primarily concerns itself with the contemporary period and more specifically with the diasporic enclave in New York City It uses a critical transnational perspective to convey the adaptation of the immigrants in American society and the border crossing practices they engage in as they maintain their relations with the homeland It further reproblematises and reconceptualizes the notion of diasporic citizenship so as to take stock of the

newer facets of the globalization process      **International Relations Scholarship Around the World** Arlene B. Tickner, Ole Wæver, 2009-06-24 It has become widely accepted that the discipline of International Relations IR is ironically not international at all IR scholars are part of a global discipline with a single shared object of study the world and yet theorizing gravitates around a number of concepts that have been conceived solely in the United States The purpose of this book is to re balance this western bias by examining the ways in which IR has evolved and is practiced around the world The fifteen case studies offer fresh insights into the political and socioeconomic environments that characterize diverse geocultural sites and the ways in which these traits inform and condition scholarly activity in International Relations By bringing together scholars living and working across the globe Tickner and Wæver provide the most comprehensive analysis of IR ever published It is essential reading for anyone who is concerned about the history development and future of international relations      **Armed Forces and Conflict Resolution** Guiseppe Caforio, Gerhard Kummel, Bandara Purkayastha, 2008-10-15 Covers the various aspects of war in the twenty first century where asymmetric warfare has changed many rules of the game imposing a profound transformation on the military not only tactical but also structural preparatory mental and ideological This book also covers the delicate relations between the armed forces and societies      **Naval War College Review** Naval War College (U.S.), 1998      **Naval War College Review** , 1998      **Contemporary Authors** Terri M. Rooney, 1998-05 Your students and users will find biographical information on approximately 300 modern writers in this volume of Contemporary Authors Authors in this volume include Janet Dawson Patrice Gaines Isabella Rossellini Markus Wolf      **Drugs and Democracy in Latin America** Coletta Youngers, Eileen Rosin, 2005 While the U S has failed to reduce the supply of cocaine and heroin entering its borders it has however succeeded in generating widespread often profoundly damaging consequences on democracy and human rights in Latin America and the Caribbean      **Globalization, Liberalization and Policy Change** S. McDowell, 1997-01-21 After the introduction of a new economic policy of 1991 India is increasingly portrayed as a big emerging market for consumer goods and for broadcasting and communications services Policies for telecommunications computer software and television broadcasting in India have also shifted fundamentally The book considers communications policies in light of the role of communications in social and economic development and global patterns of trade and investment in communications and services      *New West Indian guide* , 1999      **Driven by Drugs** Russell Crandall, 2002 Crandall political science Davidson College examines the evolution of US policy towards Columbia largely driven by factors relating to the US s war on drugs as well as the roots of violence in Colombia He then focuses on US policy towards the country during two key periods the Samper administration 1994 1998 and the Pastrana administration 1998 2002 He concludes by assessing current US policy toward Colombia and suggesting directions for future policy Annotation copyrighted by Book News Inc Portland OR      *Neoliberalism and Class Conflict in Latin America* H. Veltmeyer, J. Petras, S. Vieux, 2016-07-27 The 1980s in Latin America saw the implementation of a sweeping

programme of economic reforms either imposed as a condition for securing new loans or to embrace the neoliberal doctrine of structural adjustment the ideology of a newly formed transnational capitalist class However the structural adjustment programme also generated widespread resistance especially from within the popular sector of civil society This book analyses both the politics of the adjustment process and the political dynamics of this resistance in Latin America **Routledge**

**Handbook of Latin American Security** David R. Mares, Arie M. Kacowicz, 2015-07-16 This new Handbook is a comprehensive collection of cutting edge essays on all aspects of Latin American Security by a mix of established and emerging scholars The Routledge Handbook of Latin American Security identifies the key contemporary topics of research and debate taking into account that the study of Latin America's comparative and international politics has undergone dramatic changes since the end of the Cold War the return of democracy and the re-legitimization and re-armament of the military against the background of low level uses of force short of war Latin America's security issues have become an important topic in international relations and Latin American studies This Handbook sets a rigorous agenda for future research and is organised into five key parts The Evolution of Security in Latin America Theoretical Approaches to Security in Latin America Different Security Regimes Contemporary Regional Security Challenges Latin America and Contemporary International Security Challenges With a focus on contemporary challenges and the failures of regional institutions to eliminate the threat of the use of force among Latin Americans this Handbook will be of great interest to students of Latin American politics security studies war and conflict studies and International Relations in general *Violence and Power* Ken G. Irish-Bramble, 2018-05-02 Violence and Power is a collection of original essays written by Dr Ken G Irish-Bramble The essays were all written while the author was a graduate student at NYU The essays cover a wide range of topics in the field of political science and Caribbean studies While they are somewhat dated they each cover timeless topics and provide meaningful insight **Historical Abstracts**, 1999

### Security Problems And Policies In The Post Cold War Caribbean Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However,

the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Security Problems And Policies In The Post Cold War Caribbean free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Security Problems And Policies In The Post Cold War Caribbean free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Security Problems And Policies In The Post Cold War Caribbean free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Security Problems And Policies In The Post Cold War Caribbean. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Security Problems And Policies In The Post Cold War Caribbean any PDF files. With these platforms, the world of PDF downloads is just a click away.
