Jamieson,2015-09-03 Before the last quarter of the nineteenth century people who wanted to travel independently either walked or rode horses Then a newly invented machine changed forever the nature of personal transportation The cycle self propelled bicycles tricycles and tandems allowed almost anyone to travel around town around their region and around the world While dramatic developments in equipment clothing road surfaces and amenities make the physicality of cycling much different from the earlier era the experience of cycling has seen little change The Self Propelled Voyager How the Cycle Revolutionized Travel recounts how a transportation innovation opened the world for not only those who made the journey but also for the armchair travelers who read with interest the cyclists accounts of faraway places Following a brief history of the development of the cycle this book describes the exploits of long distance riders who wrote of their experiences their triumphs and their tragedies Duncan R Jamieson chronicles their journeys their personal stories and the times in which they lived revealing that despite the continuing rise and fall of cycling interest people continue to enjoy traveling in the slow lane Drawing on books and articles by the women and men who rode and wrote of their travels The Self Propelled Voyager also features

photographs from the 1880s up to the modern day illustrating the development of the cycle through history Accessibly written yet comprehensive in its coverage this book will interest not only the cycling enthusiast but historians focusing on sport and sport tourism as well

**Year of the Elephant** Laylá Abū Zayd,Elizabeth Warnock Fernea,1989 In this moving fictional treatment of a Muslim woman s life a personal and family crisis impells the heroine to reexamine traditional cultural attitudes toward women Cast out and divorced by her husband she finds herself in a strange new world Both obstacles and support systems change as she actively participates in the struggle for Moroccan independence from France This feminist novel is a literary statement in a modern

realist style Many novels by women of the Middle East that have been translated reflect Western views values and education  
By contrast Year of the Elephant is uniquely Moroccan and emerges from North African Islamic culture itself Its subtle  
juxtaposition of past and present of immediate thought and triggered memory reflects the heroine s interior conflict between  
tradition and modern demands The title refers to a famous battle described in the Koran      **The Ladies' World** ,1896
