How to Forgive...When You Don't Feel Like It June Hunt, 2015-03-01 When someone hurts us, our natural response is to strike back. Rather than let go, we cling to our rocks of resentment, our boulders of bitterness. The result? We struggle under the weight of unforgiveness. Though we know God has called us to forgive others, we find ourselves asking, "What if it hurts too much to forgive? What if the other person isn't sorry? How can I let someone off the hook for doing something so wrong?" Biblical counselor June Hunt has been there herself, enabling her to speak from experience as she offers biblical help and hope with heartfelt compassion. If you've been pinned down under a landslide of pain, here's how to find true freedom through forgiveness.

Discovering Your Identity in God Fikayo Olu-Ayeni, 2017-05-08 The question "Who am I?" is one of humanity's most asked questions, but it is a profound question that we have done so little to address. Identity touches and colors every facet of living. The gravity of its impact makes it worthy of careful study. In this book, Fikayo invites the reader to embark on a journey to discover identity anew, see yourself through God's eyes. While this book seems destined for its place among great Christian classics, its witty and reactive style make it an enjoyable and almost addictive companion.

My Devotion, My Heart Teresa Preston, 2010-03 When you didn't die, did you wish you could? Did you become cynical and bitter for how your life has turned out? Author Teresa Preston had begged God for a change in her life. She finally realized that she was living the results of bad choices. Reclaiming the belief that she is good enough for God to use felt impossible. However, God worked a miracle from the rubble that was left of her life, allowing all that she held dear except her children to be stripped from her. And the only place she could look was up. God took her on a long and difficult journey to self-awareness, confidence, and a relationship like she had never known. She realized Jesus could fill every void.
