Tom Skeyhill

Sergeant Yorks Own Story

David D. Lee

Sergeant Yorks Own Story:

Sergeant York, His Own Life Story and War Diary Alvin Cullum York, 1928 **Sergeant York and the Great War** Tom Skeyhill, 2024-01-01 This memoir chronicles the Tennessee soldier's journey from conscientious objector to decorated World War I hero. In the 1941 film *Sergeant York*, actor Gary Cooper played a real American soldier, Sgt. Alvin C. York, as he served in World War I. The film garnered an Academy Award for Cooper and further notoriety for York, an American hero. This book *Sergeant York and the Great War* chronicles York's early years in the backwoods of northern Tennessee until he was drafted into the US Army to serve overseas during World War I. Also featured is York's war diary detailing life in the trenches.

Sgt. York His Life, Legend, and Legacy John Perry, 2021-05-26 War hero, Medal of Honor recipient and one of the world's first international media celebrities, Sgt. Alvin York was the most famous soldier of his generation. His welcome home ticker tape parade in New York was the biggest in history at the time. Advertisers clamored for his endorsement; corporations invited him to join their boards of directors, and movie producers vied to put his story on the silver screen. Yet this shy country boy from the hills of Tennessee couldn't imagine cashing in on fame coming from killing fellow human beings in the service of his country. Uncle Sam's uniform ain't for sale, he told them. Sgt. York's *His Life, Legend, Legacy* remains the only complete biography of this great American patriot based on original sources. Author John Perry scoured military records, including official accounts of York's famous battle from surviving eyewitnesses, as well as Warner Bros. archives in Hollywood for details about the film. He also interviewed a host of people who knew York, including neighbors who welcomed him home from the war, attended his wedding, hunted and camped with him in the Wolf River Valley. York's four surviving children were eager participants in the project, with son George Edward Buxton York commenting upon reading the completed draft, tears streaming down his face. Now people will know what my daddy was really like. This new edition includes a message from York's youngest son, 90-year-old Andrew Jackson York. *Sergeant York* David D. Lee, Alvin C. York went out on a routine patrol, an ordinary unknown American doughboy of the First World War. He came back from no man's land a hero. In a brief encounter on October 8, 1918, during the Argonne offensive, York had killed 25 German soldiers and almost singlehandedly effected the capture of 132 others. Returning to the United States the following spring, he received a tumultuous public welcome and a flood of offers from businessmen eager to capitalize on his acclaimed feat. But York, true to his character, went quietly back to his home in the Tennessee mountains where he spent.

Sergeant York and the Great War Alvin Cullum York, 2004 **Unraveling the Myth of Sgt. Alvin York** James Patrick Gregory, 2023-01-20 On October 8, 1918, seventeen soldiers from the 82nd Division, American Expeditionary Force, led by acting Sgt. Bernard Early, flanked a German machine gun nest that had inundated their unit with withering fire. In this sneak attack, they successfully surprised and captured more than 80 German soldiers before an unseen machine gun suddenly opened fire and killed six men. Acting Cpl. Alvin York, a member of the patrol, received the credit for taking control of the squad and singlehandedly killing 20 Germans, capturing

132 prisoners and eliminating 35 machine guns all before leading the men back to Allied lines For this act of bravery York not only received the Medal of Honor and was promoted to sergeant but he also rose to fame and glory The 1941 movie Sergeant York starring Gary Cooper solidified York as a legend and one of the most well known military figures in American history In *Unraveling the Myth of Sgt Alvin York* historian James P Gregory Jr tells the story of the other sixteen soldiers who took part in the battle capture and return before fading into relative obscurity in the shadow of Sergeant York As the tale reached mythological proportions the other survivors began to speak out seeking recognition for their parts in the engagement only to be stymied by improper investigations cover ups and media misrepresentations Here Gregory recovers the story of these other men and the part they played alongside York while revealing the process of mythmaking in twentieth century America

Sergeant York and His People Sam Kinkade Cowan,1922 During World War I a man from Tennessee is torn between his pacifist principles and his patriotic duty He goes on to become the most famous hero of that war Alvin C York

Sergeant York Alvin C. York,1930

Sergeant York John Perry,2010-10-11 Growing up in the Tennessee hills Alvin York was equally renowned as a marksman and as a hard drinking brawler A dramatic New Year s conversion convinced him that killing was against God s will and yet this shy big boned mountaineer singlehandedly dispatched two dozen Germans and captured 132 in the closing days of World War I He earned the Medal of Honor and a ticker tape parade but refused to cash in on his fame insisting Uncle Sam s uniform ain t for sale This succinct and gripping new account of Sgt York s remarkable life includes details from exclusive interviews with the sergeant s three surviving children and information drawn from battlefield eyewitness reports and original film studio archives fresh reminders of the legacy of one of America s great Christian patriots We learn about life through the lives of others Their experiences their trials their adventures become our schools our chapels our playgrounds

Christian Encounters a series of biographies from Thomas Nelson Publishers highlights important lives from all ages and areas of the Church through prose as accessible and concise as it is personal and engaging Some are familiar faces Others are unexpected guests Whether the person is D L Moody Sergeant York Saint Nicholas John Bunyan or William F Buckley we are now living in the world that they created and understand both it and ourselves better in the light of their lives Their relationships struggles prayers and desires uniquely illuminate our shared experience

The World Review ,1928

Alvin York Douglas V. Mastriano,2014-03-25 Alvin C York 1887 1964 devout Christian conscientious objector and reluctant hero of World War I is one of America s most famous and celebrated soldiers Known to generations through Gary Cooper s Academy Award winning portrayal in the 1941 film *Sergeant York* York is credited with the capture of 132 German soldiers on October 8 1918 in the Meuse Argonne region of France a deed for which he was awarded the Congressional Medal of Honor At war s end the media glorified York s bravery but some members of the German military and a soldier from his own unit cast aspersions on his wartime heroics Historians continue to debate whether York has received more recognition than he deserves A fierce disagreement about the location of the battle in the

Argonne forest has further complicated the soldier's legacy In Alvin York Douglas V Mastriano sorts fact from myth in the first full length biography of York in decades He meticulously examines York's youth in the hills of east Tennessee his service in the Great War and his return to a quiet civilian life dedicated to charity By reviewing artifacts recovered from the battlefield using military terrain analysis forensic study and research in both German and American archives Mastriano reconstructs the events of October 8 and corroborates the recorded accounts On the eve of the WWI centennial Alvin York promises to be a major contribution to twentieth century military history *Movie-Made Appalachia* John C.

Inscoe,2020-11-24 While Hollywood deserves its reputation for much maligned portrayals of southern highlanders on screen the film industry also deserves credit for a long standing tradition of more serious and meaningful depictions of Appalachia's people Surveying some two dozen films and the literary and historical sources from which they were adapted John C Inscoe argues that in the American imagination Appalachia has long represented far more than deprived and depraved hillbillies Rather the films he highlights serve as effective conduits into the region's past some grounded firmly in documented realities and life stories others only loosely so In either case they deserve more credit than they have received for creating sympathetic and often complex characters who interact within families households and communities amidst a wide array of historical contingencies They provide credible and informative narratives that respect the specifics of the times and places in which they are set Having used many of these movies as teaching tools in college classrooms Inscoe demonstrates the cumulative effect of analyzing them in terms of shared themes and topics to convey far more generous insights into Appalachia and its history than one would have expected to emerge from southern California's dream factory *Books for All* Providence Public Library (R.I.),1928 **Understanding The Odyssey** Claudia Durst Johnson,Vernon

Johnson,2003-06-30 For thousands of years The Odyssey has resonated throughout the Western world Homer has been an original source of inspiration to writers painters sculptors and filmmakers as well as a vital source of information about the mythology history and culture of ancient Greece This casebook uniquely blends commentary and primary documents situating the epic within historical contexts that are important for students to understand The literary analysis chapter is ideal for readers coming to The Odyssey for the first time introducing the work with a chronology of events and identification of major characters and themes Topical chapters carefully consider matters of mythology geography archeology and class issues pertinent to The Odyssey Excerpts from classical and scholarly sources including Herodotus Plato Thucydides and Bulfinch help students understand the historical framework and materials from government documents and newspaper accounts help students make connections betweenThe Odyssey's thematic ideas and current events such as the September 11th attacks and the ongoing conflict in Ireland *The Cross and the Trenches* Richard Schweitzer,2003-05-30 Drawing on the testimony of over 500 British and American soldiers the author provides an in depth account of topics such as soldiers prayers and biblical readings as well as religious doubts **Army History** ,2000 *Rural Life and Culture in the Upper*

Cumberland Michael Birdwell, W. Calvin Dickinson, 2004-12-24 Seventeen original essays by prominent scholars uncover fascinating stories and personalities from the Upper Cumberland region of Kentucky and Tennessee often regarded as isolated and out of pace with the rest of the country but seen here as having a far richer history and culture than previously thought

Celluloid Soldiers Michael E. Birdwell, 1999-05-01 During the 1930s many Americans avoided thinking about war erupting in Europe believing it of little relevance to their own lives Yet the Warner Bros film studio embarked on a virtual crusade to alert Americans to the growing menace of Nazism Polish Jewish immigrants Harry and Jack Warner risked both reputation and fortune to inform the American public of the insidious threat Hitler's regime posed throughout the world Through a score of films produced during the 1930s and early 1940s including the pivotal *Sergeant York* the Warner Bros studio marshaled its forces to influence the American conscience and push toward intervention in World War II *Celluloid Soldiers* offers a compelling historical look at Warner Bros's efforts as the only major studio to promote anti Nazi activity before the outbreak of the Second World War
