Sex In The Parish:

Sex in the Parish Karen Lebacqz, Ronald G. Barton, 1991-01-01 Karen Lebacqz and Ronald Barton examine the gift of sexuality in relation to the parish and the dynamics of sexual desire and temptation Included in this book are the experiences of a pastor who did not set appropriate limits explanations of how the pastoral role affects sexual contact between pastor and parishioner suggestions for a framework of ethical analysis an examination of questions for women in ministry single pastors and pastors who are gay lesbian or bisexual and a review of ethical issues related to persons who carry responsibilities for the structures of ministerial practice **Sex, Priestly Ministry, and the Church** Len Sperry, 2003 Would removing the celibacy requirement really eliminate priest pedophilia Won't tough corrective measures such as a zero tolerance policy only exacerbate the priest shortage These questions reflect the kind of concerns many of us are thinking and talking about lately Despite the ongoing media coverage of sexual impropriety in the Church there is relatively little known about sexuality issues involving priests Sex Priestly Ministry and the Church provides an objective and authoritative account of psychosexual development in priests and key background information on the many sexual issues facing the Church today It is a concise comprehensive one of a kind resource of the most current information needed to understand these sexual issues and controversies and make reasoned responsible decisions Chapters under Part I Essential Facts Psychosexual Development are Sex and Sexuality Everything You Need to Know The Process of Psychosexual Development and Sexuality Intimacy and Celibacy Chapters under Part II Essential Facts Sexual Misconduct are Determinants of Ministry Health and Sexual Misconduct Abusiveness and Sexual Misconduct Narcissism Sexuality and Sexual Misconduct and Priest Sexual Misconduct with Children Adolescents and Adults Chapters under Part III Pressing Sexual Issues are Selecting Suitable Candidates for the Priesthood Homosexuality and the Priesthood Decisions About Removing Priests and Preventing Sexual Misconduct in Ministry *Publii Ovidii Nasonis Fastorum Libri Sex* Ovid, 1929 [Slave Populations of the British Caribbean, 1807-1834](#) B. W. Higman, 1995 Reprint of work that originally appeared in 1984 Excellent and thorough treatment of major demographic aspects of British Caribbean slavery from abolition of slave trade to slave emancipation Draws heavily on extensive data available from slave registration returns for various islands to provide comparative perspective of nature of slave life Excellent tables and figures Essential for serious scholars of the region Handbook of Latin American Studies v 58 **Guide to Current Official Statistics** Great Britain. Permanent Consultative Committee on Official Statistics, 1928 [The Clergy Sex Abuse Crisis and the Legal Responses](#) James T. O'Reilly, Dr. Margaret S.P. Chalmers, 2014-09-09 The sexual abuse of children and teens by rogue priests in the U S Catholic Church is a heinous crime and those who pray for a religious community as its ministers priests and rabbis should never tolerate those who prey on that community The legal disputes of recent years have produced many scandalous headlines and fuelled public discussion about the sexual abuse crisis within the clergy a crisis that has cost the U S Catholic Church over 3 billion In The Clergy Sex Abuse Crisis and the Legal Responses

two eminent experts James O Reilly and Margaret Chalmers draw on the lessons of recent years to discern the interplay between civil damages law and global church based canon law In some countries civil and canon law although autonomous systems of law both form part of the church s legal duties In the United States freedom of religion issues have complicated how the state adjudicates both cases of abuse and who can be held responsible for clerical oversight This book examines questions of civil and criminal liability issues of respondeat superior and oversight issues with statutes of limitations and dealing with allegations that occurred decades ago and how the Church s internal judicial processes interact or clash with the civil pursuit of these cases

Same Sex Unions Paul V. Marshall, 2004-09-01 Bishop Marshall has given us a pastoral gift He has brought to life ways that the liturgy and worship of the Church can nourish and support Christians who are of the same gender contemplating life long covenant unions in Christ Bringing together the mind of a scholar and the heart of a pastor Bishop Marshall has given birth to a work that can help us grow as a community of faith in which all who seek to follow Jesus are helped and supported on their journey I am honored to commend this work to the church The Rt Rev Michael B Curry Bishop of North Carolina Same Sex Unions a contribution to the continuing debate on the church s pastoral care offers biographical vignettes of two committed couples who have had their unions liturgically blessed in church and also contains complete texts of several same sex rites together with liturgical analysis and reference to secondary literature

Sex and the Gender Revolution, Volume 1 Randolph Trumbach, 1998-12 A revolution in gender relations occurred in London around 1700 resulting in a sexual system that endured in many aspects until the sexual

revolution of the 1960s For the first time in European history there emerged three genders men women and a third gender of adult effeminate sodomites or homosexuals This third gender had radical consequences for the sexual lives of most men and women since it promoted an opposing ideal of exclusive heterosexuality In Sex and the Gender Revolution Randolph Trumbach reconstructs the worlds of eighteenth century prostitution illegitimacy sexual violence and adultery In those worlds the majority of men became heterosexuals by avoiding sodomy and sodomite behavior As men defined themselves more and more as heterosexuals women generally experienced the new male heterosexuality as its victims But women as prostitutes seduced servants remarrying widows and adulterous wives also pursued passion The seamy sexual underworld of extramarital behavior was central not only to the sexual lives of men and women but to the very existence of marriage the family domesticity and romantic love London emerges as not only a geographical site but as an actor in its own right mapping out domains where patriarchy heterosexuality domesticity and female resistance take vivid form in our imaginations and senses As comprehensive and authoritative as it is eloquent and provocative this book will become an indispensable study for social and cultural historians and delightful reading for anyone interested in taking a close look at sex and gender in eighteenth century London

Confronting Power and Sex in the Catholic Church Geoffrey Robinson,2008 Drawing on his own experience in responding to abuse Bishop Geoffrey Robinson methodically offers a critique of the church s use and misuse of power from the pope proclaiming infallibly down to the preacher claiming a divine authority for every word spoken from the pulpit Going back to the Bible and above all to the teaching of Jesus he presents an approach to sexual morality that is profound compassionate and people centered He stresses the priority of the hierarchy of holiness over the hierarchy of power He offers nothing less than a vision for a church of the third millennium a church that wants to see in its members the responsibility appropriate to adults rather than the obedience appropriate to children and wants to help al people to grow to become al they are capable of being You will love or hate this book but not be ale to remain neutral Through the story of sexual abuse and the church s response I came to the unshakeable belief that within the Catholic Church there absolutely must be profound and enduring change In particular there must be change on the two subjects of power and sex From the Introduction Bishop Geoffrey Robinson who has degrees in philosophy theology and church law was Auxiliary Bishop in the Archdiocese of Sydney from 1984 until his retirement in 2004 In 1994 he was elected by the Australian Bishops to the National Committee for professional Standards coordinating the response of the Catholic Church in Australia to revelations

of sexual abuse and from 1997 until 2003 he was cochairman of this committee *Biennial Report of the Board of Control for the Leper Home ... Louisiana. Leper Home (Carville), 1916* *Non-Elite Women's Networks Across the Early Modern World* Elizabeth Storr Cohen, Marlee J. Couling, 2025-10-01 Non elite or marginalized early modern women among them the poor migrants members of religious or ethnic minorities abused or abandoned wives servants and sex workers have seldom left records of their experiences Drawing on a variety of sources including trial records administrative paperwork letters pamphlets hagiography and picaresque literature this volume explores how as social agents these doubly invisible women built and used networks and informal alliances to supplement the usual structures of family and community that often let them down Ten essays ranging widely in geography from the eastern Mediterranean to colonial Spanish America and in time from the sixteenth to the eighteenth centuries show how flexible sometimes ad hoc relationships could provide crucial practical and emotional support for women who faced problems of livelihood reputation displacement and violence

Understanding and Proving International Sex Crimes Morten Bergsmo, Alf Butenschøn Skre, Elisabeth J. Wood, 2012-04-25 This anthology addresses the gap between international standard setting prohibiting international sex crimes and actual accountability for individuals who are responsible for such crimes The book provides detailed analysis of the legal requirements of international sex crimes and types of fact that can be used to meet these requirements It includes a unique knowledge base that digests international case law on such crimes The anthology also contains several studies of institutional and evidentiary challenges in the prosecution of international sex crimes Series pref **Sex, Priests, and Secret Codes** Thomas P. Doyle, A. W. Richard Sipe, Patrick J. Wall, 2006 Sexual abuse of minors and vulnerable adults by Catholic clergy is not a new phenomenon Sex Priests and Secret Codes reveals in shocking detail a deep seated problem that spans the Church's history **Marriage, Sex, and Civic Culture in Late Medieval London** Shannon McSheffrey, 2013-04-23 Awarded honorable mention for the 2007 Wallace K Ferguson Prize sponsored by the Canadian Historical Association How were marital and sexual relationships woven into the fabric of late medieval society and what form did these relationships take Using extensive documentary evidence from both the ecclesiastical court system and the records of city and royal government as well as advice manuals chronicles moral tales and liturgical texts Shannon McSheffrey focuses her study on England's largest city in the second half of the fifteenth century Marriage was a religious union one of the seven sacraments of the Catholic Church and imbued with deep spiritual significance but the marital unit of husband and wife was also the fundamental domestic social political and economic unit of medieval society As such marriage created political alliances at all levels from the arena of international politics to local neighborhoods Sexual relationships outside marriage were even more complicated McSheffrey notes that medieval Londoners saw them as variously attributable to female seduction or to male lustfulness as irrelevant or deeply damaging to society and to the body politic as economically productive or wasteful of resources Yet like marriage sexual relationships were also subject to control and influence from parents relatives neighbors

civic officials parish priests and ecclesiastical judges Although by medieval canon law a marriage was irrevocable from the moment a man and a woman exchanged vows of consent before two witnesses in practice marriage was usually a socially complicated process involving many people McSheffrey looks more broadly at sex governance and civic morality to show how medieval patriarchy extended a far wider reach than a father's governance over his biological offspring By focusing on a particular time and place she not only elucidates the culture of England's metropolitan center but also contributes generally to our understanding of the social mechanisms through which premodern European people negotiated their lives

Sex Crimes and Offenders Mary Clifford, Alison Feigh, 2022-05-02 For decades and in some cases centuries individuals families and friends of victims sought out ways to help heal the hurts caused by sexual abuse and implement some way to protect against future harms The recent very public conversations about victims standing up to perpetrators has expanded the reach and public platform of sexual violence prevention efforts in critical ways What might appear a relatively simple task on the surface to define healthy and harmful sexual practices inevitably raises even more questions When the questions and answers are framed and defined through historical cultural social and individual lenses solutions may seldom be simple Structured in five parts *Sex Crimes and Offenders Exploring Questions of Character and Culture* uses healthy sexuality as a back drop for exploring the complicated issue of identifying and punishing sex crimes defining the parameters of sexualized violence and sexual violence prevention The goal is to prevent harm address hurts hold perpetrators accountable and eventually eliminate to the degree possible all future harms The information presented explores individual treatment efforts as well as the social and political responses designed to hold perpetrators accountable and help support victims Essential resources made visible throughout this text are provided to help inform young people families faith communities and future practitioners to raise important reflective questions and to serve as a resource for anyone of any age who has suffered harm or perpetrated harm and is in need of support and healing Finally the book concludes by shining a light on the efforts each of us can take to identify reduce and work toward eliminating sexual violence and harms Additional resources for Instructors including PowerPoint Lecture Notes and Test Banks are provided
