Smith, 2021-05-27 Austin Chambers fooled me into thinking he was everything I could possibly want in a man funny kind caring family oriented and extremely sexy But his attempt at humor left me hurt and angry I guess I have crummy taste in men and the horrible track record to prove it Which is why I swore off dating when I moved here to begin with I would be quite content never seeing Austin again but he s my new best friend s soon to be brother in law and they re close Avoiding him isn t easy since I haven t clued her into his idea of a joke but I do my best But my best isn t good enough since anger and hate are strong emotions Too much time in each other s company brings us to the boiling point and things get physical but not in the way I feared The best kiss I ve ever had leads to more a lot more And I can t quite bring myself to regret it That night changes things It changes Austin He seems determined to make it up to me and instead of devolving into screaming matches we actually manage to communicate That spark between us that just won t die seems like it might become a flame Until I find out his friends dared him to prove he isn t allergic to commitment and I m his unwitting victim How can I ever trust him again **Precedents in Chancery** Great Britain.
