Love Hate And Fear In Canadas Cold War:

Love, Hate, and Fear in Canada's Cold War Richard Cavell, 2004 A major theme emerging from Love Hate and Fear in Canada's Cold War is that many issues associated with the Cold War in Canada actually preceded World War II and continue to haunt us today

Love, Hate, and Fear in Canada's Cold War Richard Cavell, 2004-06-02 The essays in Love Hate and Fear in Canada's Cold War present a Cold War different in many respects from the familiar one of anti communist hysteria In Canada the Cold War raised issues of national self representation that went beyond international political tensions related to capitalistic versus communistic regimes If the discourse of the Cold War in Canada was anti communist it was also anti American in many ways Drawing on a number of disciplinary approaches and examining what Michel Foucault called the discursive practices of the period the contributors examine how in the Cold War the personal became the political through the state's attempt to regulate sexuality in pulp fiction in film and in public spaces A major theme emerging from Love Hate and Fear in Canada's Cold War is that many issues associated with the Cold War in Canada actually preceded World War II and continue to haunt us today This has become particularly apparent after the terrorist attacks of September 2001 when politicians began employing the rhetoric of the War on Terror and invoking issues of border security immigration and refugee quotas and harmonization of policies

Czech Refugees in Cold War Canada Jan Raska, 2018-08-24 During the Cold War more than 36 000 individuals entering Canada claimed Czechoslovakia as their country of citizenship A defining characteristic of this migration of predominantly political refugees was the prevalence of anti communist and democratic values Diplomats industrialists politicians professionals workers and students fled to the West in search of freedom security and economic opportunity Jan Raska's Czech Refugees in Cold War Canada explores how these newcomers joined or formed ethnocultural organizations to help in their attempts to affect developments in Czechoslovakia and Canadian foreign policy towards their homeland Canadian authorities further legitimized the Czech refugees anti communist agenda and increased their influence in Czechoslovak institutions In turn these organizations supported Canada's Cold War agenda of securing the state from communist infiltration Ultimately an adherence to anti communism the promotion of Canadian citizenship and the cultivation of a Czechoslovak ethnocultural heritage accelerated Czech refugees socioeconomic and political integration in Cold War Canada By analyzing oral histories government files ethnic newspapers and community archival records Raska reveals how Czech refugees secured admission as desirable immigrants and navigated existing social cultural and political norms in Cold War Canada

Hinthner, 2018-01-01 In Perogies and Politics Rhonda Hinthner explores the twentieth century history of the Ukrainian left in Canada from the standpoint of the women men and children who formed and fostered it For twentieth century leftist Ukrainians culture and politics were inextricably linked The interaction of Ukrainian socio cultural identity with Marxist Leninism resulted in one of the most dynamic national working class movements Canada has ever known The Ukrainian left's success lay in its ability to meet the needs of and speak in

meaningful respectful and empowering ways to its supporters experiences and interests as individuals and as members of a distinct immigrant working class community This offered to Ukrainians a radical social cultural and political alternative to the fledgling Ukrainian churches and right wing Ukrainian nationalist movements Hinthers colourful and in depth work reveals how left wing Ukrainians were affected by changing social economic and political forces and how they in turn responded to and challenged these forces The Making of the Middle Class A. Freeman,2012-08-01 Beyond Bylines Media Workers and Women s Rights in Canada explores the ways in which several of Canada s women journalists broadcasters and other media workers reached well beyond the glory of their personal bylines to advocate for the most controversial women s rights of their eras To do so some of them adopted conventional feminine identities while others refused to conform altogether openly and defiantly challenging the gender expectations of their day The book consists of a series of case studies of the women in question as they grappled with the concerns close to their hearts higher education for women healthy dress reforms the vote equal opportunities at work abortion lesbianism and Aboriginal women s rights Their media reflected their respective eras

intellectual magazines daily and weekly newspapers radio feminist public relations alternative women s periodicals and documentary film made for television Barbara Freeman takes an interdisciplinary approach combining biography history and communication studies to demonstrate how their use of different media both enabled and limited these women in their ability to be daring advocates for gender equality She shows how a number of these women were linked through the generations by their memberships in activist women s organizations

Awfully Devoted Women Cameron Duder,2011-01-01 The lives of many lesbians prior to 1965 remain cloaked in mystery Historians have turned the spotlight on upper middle class romantic friends and on working class butch and femme women but the lives of the lower middle class majority remain in the shadows Awfully Devoted Women offers a portrait of middle class lesbianism in the decades before the gay rights movement in English Canada This intimate study of the lives of women who were forced to love in secret not only challenges the idea that lesbian relationships in the past were asexual it also reveals the courage it took to explore desire in an era when women were supposed to know little about sexuality
