Jeanette Erath,2016-04-06 A story about one woman the variety of situations she finds herself in and then in a shocking unthinkable twist the biggest decision she has to make which she knows will impact on not only her life but also the lives of her children What will she do and will she make the right choice Asks the question we all have thought about at one time in our life **Lucky in Love on Hound Island** Karice Bolton,2017-11-25 Tiffany Bailey is in love Truly madly deeply in love with a boy who has chestnut hair glistening white teeth and sparkling brown eyes He s adorable and makes her heart melt off of just one look He has given her everything she s ever wanted There are just a couple of problems First of all he isn t hers and the second issue is that he has four legs and doesn t talk much In all seriousness Tiffany has never found that one person who makes her stomach flutter with delight her cheeks flush from a heated glance or her pulse spike from just one touch which is precisely why she thinks love isn t what it s cracked up to be much more effort than it s worth really Or at least she believes that until Billy comes crashing into her world or was it the other way around One thing she knows is that Billy gives her every reason to blush and make her heart rate race with thoughts that had never popped into her head before Thoughts she needs to squash immediately especially since he has quite the reputation for collecting lots of phone numbers The one thing Tiffany refuses to do is lose her heart to a man who is incapable of real emotion but a little bit of harmless flirting can t be that bad right Billy s life is changing at lightning speed His business is booming He has franchises opening

up across the Pacific Northwest and he clearly doesn't have time for love. Except he just can't get Tiffany Bailey out of his mind. She's beautiful, charming, and holds a zest for life that makes his world seem a little more exciting. But life isn't that simple, especially for him. He holds too many secrets and an inability to love. No big deal, right? All Billy knows is that in his world, Tiffany is off-limits. Period. Although maybe having a little fun wouldn't hurt anything.

All books in the Island County Series can be read as standalones. [Lucky in Love](#) Deborah Coonts, 2012-01-17. Evanovich with a dash of CSI. Publishers Weekly review of Lucky Stiff: Everyone Has a Hidden Talent For Lucky O'Toole. It's murder-solving. It's surviving in Sin City, taking cunning, a pair of five-inch heels, and a wiseass attitude. Lucky has mastered them all and has a pair of legs she uses to kick butt and turn heads. As the Chief Problem Solver for the Babylon Las Vegas, the most over-the-top destination, mischief is in her job description. She's good at her job. She's less good at life. But who has time for a life when there's a killer on the loose?

LUCKY IN LOVE Lucky O'Toole, the Vice President of Customer Relations for the Babylon, one of Las Vegas's most over-the-top strip properties, is seriously regretting booking a reality television show, *The Forever Game*, into the small theater at her hotel. One thing she knows for sure: Vegas does NOT need a dose of reality. The four couples competing in *The Forever Game* add their own mischief to the incendiary mix normally available in Sin City while competing for a Las Vegas wedding extravaganza. The host of the show, Trey Gold, appears interested only in keeping the spotlight on himself while the contestants run wild, sampling all Vegas has to offer, threatening to blow the whole show out of the water. Not only must Lucky keep the couples from killing each other, killing their relationships, or ending up on the front page of the *Review Journal*, she has to navigate the rocky road to love herself. Teddie, her live-in lover, is leaning more and more towards chasing a new dream as a singer, leaving Vegas and Lucky behind. And a new French chef seems determined to muddy the murky waters of love even further. Then there's Lucky's mother, Mona, who never could leave well enough alone. A light, funny, romantic mystery providing a Vegas escape appropriate for anyone looking for a good laugh.

AN INTERVIEW WITH DEBORAH COONTS Why did you decide to write humor? I'm not sure. I decided to add snark to the Lucky books specifically to Lucky's own voice; it just happened that way. When I was a kid, my mouth always got me into trouble. Finally, I've found a way to harness the sarcasm for the Forces of Good, or at least in a way not to anger my grandmother. And when Lucky started talking to me, she had a strong dose of sass in her.

The Lucky O'Toole Vegas Adventure series is hard to categorize. Is that by design? When I set out to write *Wanna Get Lucky*, I knew I wanted to write a romp through Las Vegas. I had the characters and the setting but no real understanding of narrative drive. So I threw a young woman out of a tour helicopter into the middle of the Pirate Show and let the story unfold. A bit of murder to keep the plot moving, some wisecracking, and Vegas mischief to make you laugh and some romance to keep it interesting. A bit of a mash-up, but it works.
