He Loves Me, He Loves Me Not Kathleen Palmer Terry, 2018-02-05 I became the keeper of secrets and there were consequences With my silence I protected my children and allowed them to forever see their father as a hero but I had also given my husband a clean slate upon which he could rewrite his history minus the embarrassing part At first silence was the glue that bound us together then it was the weight under which we crumbled Cheaters are selfish people In fact the most damning thing about cheating is that it reveals a lack of caring for and commitment to the whole family unit not just one's spouse I'm cheating because I care about my family so much more than my selfish desires said no person ever Infidelity and the drama it creates have been around since the beginning of time As a result there is no shortage of advice on how to prevent it what to do once it starts or how to pick up the pieces once it ends if it ends Why do some marriages survive and others dissolve in the aftermath Is there some magic ingredient present in enduring relationships Is it possible to heal as individuals yet fail to heal as a couple In this deeply personal and intuitive book one woman of faith tells her story of love disillusionment and resilience in a down to earth upbeat and sometimes humorous style that reflects the strength that comes from knowing God loves us that he is in charge and that he has the desire and ability to shape us into better people through our adversity It will persuade you that although we live in an age of throw away marriages there are still those who believe traditional values exist that a family is a sacred commitment that giving up is not an option *Broken Promises* Henry

Virkler,2015-09-23 **ADULTERY Recognizing the Signs Stopping It Before It Starts Recovering from the Damage** One half of the young and middle aged couples in this country will at some time struggle with the painful and destructive results of an affair Can these marriages be saved Can the number of shaken marriages be reduced Psychologist and counselor Henry Virkler has some answers In this vital book he describes the devastating effects of adultery how couples can take preventive steps to reduce the likelihood of it happening in their own marriages and what to do if it does happen He writes for professional counselors for pastors and for those laypersons who find themselves wanting to understand the situation better While the author is a committed Christian psychologist and counselor he warns that faith doesn't automatically safeguard couples from sexual temptation He shows how to avoid innocent situations that can easily lead to an affair what you can do to strengthen your marriage and reduce the possibility that you or your partner will be tempted in an affair how to tell if your mate is having an affair and what to do if your worst fears prove true how adultery does not need to lead to divorce if approached in the right way **If This Is Love, Why Do I Feel So Insecure?** Carl Hindy, Ph.D.,J.
