You're My Little Love Bug Heidi Weimer,2005-02 This rhyming love letter to your child plays a music box song when opened **Little Book of I Love You** Sacha Goldberger,2004 A charming package chock full of witticisms about love and sweet nothings The little book of I love you makes a perfect gift for Valentine s day an anniversary or just because A collection of plays on words visual puns photos puzzles die cuts Braille pages that stick together the universal law of attraction and dozens of other creative ways to say I love you *Baby's First I Love You Books (3 Book Boxed Set)* ,2021-04

The Love Box ,1992 **The First 100 Days of Love** Sonny Rosati,2019-09-14 It began with a simple idea Back when FaceBook was an innocent eye and a playful journey throwing sheep at each other friends just being friends I was alone in a

world that resented my every breath for gifts I didn't appreciate dreams I didn't respect love I'd always take for granted
Alone with my thoughts hopes dreams inspirations magic I believed that if you took one moment every day and just looked
into the dark abyss of a perfect universe and found one simple reason to love then in return love would find you So I created
a FaceBook Page called I Love You Because so people could post the reasons why they're in love so that when you're alone in
the world we could all still celebrate the journey together I believe in this not because it's a hope or dream or new age fancy
or even a lonely wish cast away on the other side of forever But because it's true So I kept the faith and I believed in the
universe I believed in love and I believed in me I believe in karma destiny fate and love They are all real to me I believe we've
always been connected And I know I left you in time and in time you'll find me again Then one day as many lifetimes collided
in linear elegance she did find me again And together it was another beautiful day This book celebrates the first 100 days of
my relationship with my super amazing wife soul mate twin flame SLC I rewrote many of the original quotes and added both
FaceBook posts and quotes from some of the people in our lives at the time Not only because I wanted to answer her for all of
the times she's asked me why I love her Not because the universe holds secrets that can't be understood but only
experienced Not because we were created for each other Simply Because I love you S
