*Circles* Perry Brass, Like any classic this powerful moving and often even funny story of the Same Sex men of the planet Ki becomes more relevant with time Right wing politicians up to their same old tricks people excluded from the American dream guns going off at the wrong time also flying blue monkeys and good witches Perry Brass has re envisioned Oz as a far off mythical planet where queer men marry and raise families wage bloodthirsty wars and partake whenever they can in the love of angels Welcome to Ki a beautiful distant tribal planet where the boy Enkidu had been promised to Greeland an older hunter in the spirit of the Agreement which centuries ahead of gay marriage on Earth bonded pairs of Same Sex men for life To control the often violent population of tiny Ki its inhabitants were divided into three interlinking groups The nature centered Same Sex men of the swamp forests the warlike Off Sexers of the dry plains with their obedient wives and daughters and the Sisters of Ki renegade women who controlled the planet through the powerful temple of the Goddess Ki Herself The Same Sex men of Ki are endowed with a special third testicle called the Egg of the Eye The third Egg produces its own sperm or seed Exchanging seed from the third Egg is at the heart of Same Sex bonding Seed produces intense mystical visions and can travel through space on its own and replicate itself therefore providing certain Same Sex men from Ki the abilities for space and time travel To replicate themselves a pair of Same Sexers is allowed to impregnate an Off Sex woman with their combined seed This is controlled by the Sisters of Ki who limit the number of Same Sex men on their small planet and even pick the woman bringing her into their Temple for the rite of impregnation since the male couple is not allowed to know her A year after giving birth the woman must surrender her son to the Sisters who will deliver him to the male couple who fathered him Same Sex offspring are always male since one man s sperm produces the third Egg itself the other s the dominant physical characteristics of the boy child The child has to be given up as the woman s husband usually an Off Sex warrior is permitted by the Agreement of the Planet to kill the boy if he remains in his house longer than one year In the midst of Enkidu and

Greeland's first sexual encounter in the beautiful forests of Ki a young Off Sex warrior surprised them threatening to kill Greeland and take Enkidu a prisoner Instead the very strong Greeland killed the warrior and was charged by some accounts unjustly with his murder Later it is learned that Ert this handsome but headstrong warrior was the son of Ertan chief of the Off Sexers whose wife Candra it is also revealed was actually Enkidu's mother As punishment for Greeland's crime the Sisters of Ki declared that Enkidu must be taken from Greeland stripped of his Egg and be made to live with the Off Sexers as their servant To escape this punishment Woosh a wizard from the mysterious enclave of the Blue Monkeys sent Greeland and Enkidu to Earth using his magic and the powers of their third Eggs On Earth Greeland and Enkidu took over the identities and bodies of two men Cold handsome Wright and his sensitive lover Allan The two men were charged with the mission to send back to Ki an Earth same sex man to take Enkidu's place with the Off Sexers who have never seen him Greeland as Wright succeeded in sending back his friend George Marshall who lusted for Wright but truly loved Allan On Ki George hulking hairy a man few would find conventionally attractive gave himself the mysterious name Enhursag Lord of the Mountain dating back to the strange ancient Sumerian heritage of Kivian Same Sexers This connection with another planet's past lost in the mists of time was finally revealed on Earth to Wright and Allan On Earth as Wright Greeland cast off his natural Same Sex shyness and taking on an Earthly personality became manipulative sexually aggressive hungry for power and ruthless On returning to the shimmering forests of Ki Greeland brought back his egotistical needs to the Same Sex enclaves from which he came believing that only he could control the destiny of his beautiful fragile planet Circles is the next book in the chronicle of Ki a place where the need for balance controls all where individuals are at the beck of the Agreement and where Same Sex love is part of a culture powerful and eternal The book has an amazing appeal in this age of a divided America of a Donald Trump lusting for power in the midst of lies and of gay men trying once more to define their position on Earth
