Relentless Love Edwin Carl Smith, 2004 Ed Smith defines enchantment as that place where our life and our deepest dreams merge and he maintains that it is our true nature In Relentless Love he proposes that we can live lives of enchantment through the practice of relentless love He inspires us to create a world based on our intention to love and our faith in life and contends that evolution is propelling us to do so He defines evolution as events you do not like that converge to create a possibility you could not anticipate This is an original lucid voice with something very compelling and vital to say that can change all of our lives Why Are People Afraid of Love? Rev. Tony K. Thomas, 2019-01-03 There is a popular song that says What the world needs now is love sweet love and while the world and even Christians seek more love so many souls are falling into the trap of being afraid to love Yet God's desire is for his children to learn the truth of his nature that he is love Why are people afraid of love addresses this fear of loving and being loved especially in this generation in which there is a worldwide epidemic of failed relationships Author Rev Tony K Thomas invites you to look inside your soul and make some necessary personal adjustments when it comes to relationship building by simply asking the question Am I afraid of love The answer can be revealing as God's Spirit reveals to your heart and soul his love and your ability to love God wants to remove our fear of loving and he will help you during this season of singleness If you have had failed relationships or encounters or if you are married now but didn't get off to the smooth start you were expecting after the I do Why are people afraid of love can remind you of the origin and power of love that comes from above As 1 John 4 18 says perfect love will show fear the door
