**Loving what is** Byron Katie, 2002      **Question Your Thinking, Change the World** Byron Katie, 2007-10-01. A spiritual innovator for the new millennium, Time Magazine named Byron Katie's *Work* a great blessing for our planet. Eckhart Tolle's inspirational quotes help you along your journey of self-inquiry as you navigate love and relationships, sickness and health, work and money, and much more. The profound, lighthearted wisdom embodied within is not theoretical; it is absolutely authentic. Here, she discusses the most essential issues that face us all: Love, Sex, and Relationships; Health, Sickness, and Death; Parents and Children; Work and Money; Self-Realization. Not only will this book help you with these specific issues, but it will point you toward your own wisdom and will encourage you to question your own mind using the 4 simple yet incredibly powerful questions of Katie's process of self-inquiry called *The Work*: 1. Is it true? 2. Can you absolutely know that it's true? 3. How do you

react when you believe that thought 4 Who would you be without the thought Katie is a living example of the clear all embracing love that is our true identity Because she has thoroughly questioned her own mind her words shine with the joy of understanding People used to ask me if I was enlightened she says and I would say I don't know anything about that I'm just someone who knows the difference between what hurts and what doesn't I'm someone who wants only what is To meet as a friend each concept that arose turned out to be my freedom
