My Father and Your Father William Landon, 2003-10-20 This book is an attempt to relate the wonderful biblical truths about the possibility of having a living personal relationship with God This truth comes down through the entire history of the Christian faith as well as in the Bible Yet there is very little teaching or promotion of this truth in organized religion This lack of a presentation of the message of God as our Father results in a corresponding lack of power and freedom for effective daily living in the Christian community Sadly many people in religious organizations not to mention people outside the religious system doubt if a personal relationship with God is even possible This is even sadder when we consider the Bible is very clear on this point The Bible tells us that a personal relationship with God as our Father is not only possible but this relationship is God's greatest desire for us It is Bill Landon's hope that this book will be an encouragement for those people who seek a spiritual life that has more practical impact on their daily living For those who wish to explore the possibilities of a greater

peace and fullness in their living this book can be a help **WE-hood** Ralph M. Reeves MD,2020-04-24 We humans are capable of great relationships That is we are capable of grand WE hood This is our heritage though it is often unclaimed In this book we explore this heritage not merely by theorizing about it but rather by presenting several actual statements of relationship in psychotherapy that clearly embody WE hood We will celebrate and study these statements and their significance We will find that they are significant not only for the pair of persons with whom they came into being but also for the broader world After we explore those human to human statements we will note that WE hood is also said to characterize the divine We will consider parallels between the WE hood attributed to the divine and the WE hood that is observable in human partners in dialogue Then we will be surprised to see how these two realms of human and divine can come together and lead to much deepening of the relationships This deepening will also inform the broader world of language and communication and wisdom and love Dance in wonder Indianizing Film Freya Schiwy,2009-04-22 Latin American indigenous media production has recently experienced a noticeable boom specifically in Bolivia Ecuador and Colombia Indianizing Film zooms in on a selection of award winning and widely influential fiction and docudrama shorts analyzing them in the wider context of indigenous media practices and debates over decolonizing knowledge Within this framework Freya Schiwy approaches questions of gender power and representation Schiwy argues that instead of solely creating entertainment through their work indigenous media activists are building communication networks that encourage interaction between diverse cultures As a result mainstream images are retooled permitting communities to strengthen their cultures and express their own visions of development and modernization Indianizing Film encourages readers to consider how indigenous media contributes to a wider understanding of decolonization and anticolonial study against the universal backdrop of the twenty first century **ICSED 2020** Muhammad Nur Sa'ban,Benni Setiawan,Danu Eko Agustinova,Sutanto Trijuni Putro,Robbi Rahim,2020-11-04 The theme of the conference is Reconstructing Morals Education and Social Sciences for Achieving Sustainable Development Goals This theme was formulated due to several considerations First the symptoms of moral decline that have the potential to destroy the nation Morals guide humanity towards truth and civilization The phenomenon of the dehumanization process in the industrial era that pushed people to be part of abstract societies tends to ignore humanity The education process as a humanitarian system is increasingly marginalized especially during discussions about the industrial revolution 4 0 and Society 5 0 The conference placed six sub themes for speakers and participants to share ideas namely Social Sciences and Laws History and Cultural Studies Interdisciplinary Studies Morals and Humanities Policy Politics and Communication Education The committee has received 195 abstracts from prospective speakers However there are only 80 abstracts that are eligible to be presented at this conference **Essentials of Spiritual Warfare** A. Scott Moreau,2008-09-01 There s a war going on and you have what it takes to win Christians are engaged in a cosmic war between good and evil a war waged on many fronts in our hearts and minds in our churches and in

our world How can we be equipped for the fight Is God still in control How did Jesus engage in spiritual warfare How powerful is Satan and how can we resist him With clarity and depth Scott Moreau answers these questions and more as he maps out a biblical overview of spiritual warfare He encourages us to put truth into action and to stand firm in our personal battles and against evil in the world Fighting Words Devotional Ellie Holcomb,2021-10-15 Whether it s a dream that isn t coming true a stretch of the journey that feels especially dark or just the basic busy and tired each of us braves in the crazy chaos of the ordinary have you ever faced a season where life to the full feels just out of reach light seems like it s just over the horizon or lies seem to crowd out the truth If you re anything like Ellie Holcomb the answer is yes For her in these seasons God s Word has been a shelter a comfort a song a balm and an anchor Ultimately it s been a light that has helped kick back at the darkness of the lies we so often believe In her debut devotional Fighting Words you are invited to come alongside Ellie as you ponder the power of God s promises together and speak them into the darkest corners of your soul Filled with encouraging and honest reflections beautifully designed Scripture memory pages and wonderful questions to help you process Fighting Words is a place where you can wrestle respond to and take hold of precious truths in God s Word to help you push back the lies that so often consume distract and destroy us God s Word is alive In this devotional Ellie invites you to steep your soul in the living Word take hold of it wrestle with it bury it in your heart and watch as it brings about life and flourishing As you journey along with Ellie you ll find that little by little you re fighting the lies with the truth kicking back the darkness and living in the light **A commentary on 1 & 2 PETER** David Pawson,2017-04-01 These two letters were written by the man who tried to persuade Jesus not to be crucified also wanted to erect three shrines on a mountain top for Moses Elijah and Jesus also was targeted by Satan to be sifted separated from the other disciples and whose self confident loyalty was shattered three times within twenty four hours But he had a special place on his Lord s prayer list which was undoubtedly a major cause of his transformation from a reed Simon into a rock Peter which enabled him to be the first pastor not pope of the church and the first preacher of the gospel after Pentecost This high calling qualified him to protect both the church from the persecution outside and the gospel from the corruption inside That is why his first epistle majors on suffering and the second on backsliding the latter containing the clearest warning against once saved always saved complacency His boldness led to his own crucifixion upside down at his own request Bear this in mind as you read both his pastoral letters CSB Life Counsel Bible New Growth Press,CSB Bibles by Holman,2023-08-15 In the midst of challenging seasons of life there is hope The CSB Life Counsel Bible is designed to equip readers with biblical truth and counsel on a wide range of topics and tough life issues related to relationships marriage parenting and more Featuring over 150 full length articles from respected Christian counselors and scholars word studies callout quotes book introductions and a robust cross reference system this Bible is full of useful tools and resources for life application and discipleship grounded in the truth of the gospel of grace **FEATURES** More than 150 full length articles on a wide range of topics and tough life issues from
