[The Analogy of Love](#) Gary Chartier,2015-11-09 This book offers an overview of Christian theology organized around the twin themes of divine and human love The book covers the traditional theological topics as well as basic questions of theological method It seeks to integrate a focus on love throughout While love

is regularly canvassed as a dominant theme in Christian thought it has rarely been the focus of Christian theological construction or a constraint on theological formulation The book seeks to suggest chapter by chapter how a given topic relates to the broad theme of love The book is written in a way designed to make it accessible to university students and educated laypersons At the same time it takes positions on controverted scholarly issues and the methodological approach outlined at the beginning will be of interest to academic theologians

Intimacy Nicole Jarrett, 2023-10-04 How many persons would do anything to meet the person they most admire their favorite movie star celebrity superhero To even get to have a relationship with these persons or those who play the roles is next to impossible These popular personalities hardly pursue or try to know or build a relationship on a one on one basis with their fans Yet the most important being ever known the Creator of the world is seeking out eager to know His admirers fans and loyal followers God the Creator of heaven and earth wants to know you He loves you He has prepared a life for you and is preparing for you in eternity *Intimacy* Priceless Times with God is designed to testify to you about how Nicole Jarrett discovered a lasting relationship with God As she traverses the terrain of Christianity she found that Christianity was not a routine and ritualistic event but a relationship of meaningful fulfillment It is a privilege called to action by the Creator God through guidance from the Holy Spirit She discovered that life is a gift meant to be victorious The victorious life needs victorious people The book is designed to strengthen the Christian and bring clarity to their walk of faith Let the love that Christ extends to you be your guiding compass Too many believers are wavering about their identity in Christ which impacts their daily actions speech and thoughts Victory comes through faith in and through Christ Jesus This faith allows you to believe and find a resting place in God This faith establishes a peace stance which ricochets from the heart position of the Christian Therefore this Christian begins to pursue the God of the Bible that is pursuing them As the Christian journeys through the salvation long walk they develop a care less trust for the Trinity This care less trust builds a faithful walk of obedience in Christ In *Intimacy* Priceless Times with God Nicole speaks about the reality of the walk in Christ and the need to pace yourself and take baby steps All the pillars as she calls the chapters are intertwined designed to work together to build a lasting foundation of boldness and confidence of the believer

An Unquenchable Thirst Mary Johnson, 2011-09-13 For readers of Karen Armstrong and Kathleen Norris comes a powerful unforgettable spiritual autobiography *An Unquenchable Thirst* is the story of Mary Johnson's twenty years as a Missionary of Charity working alongside Mother Teresa in service to the world's poor and a fascinating depiction of the daily struggle to live a life of religious service At 17 Johnson experienced her calling when she saw a photo of Mother Teresa on the cover of Time Eighteen months later she found herself in religious training in a South Bronx convent This boisterous independent minded teenager adapted eventually to the austere life of poverty and devotion

but faced daily the struggles of any young woman the same desires for love and connection and meaning and identity After 20 years Johnson left the order and has since left the church but the story of this complicated extraordinary woman will speak to atheists and true believers alike

Crossroads Ted Huizinga, 2022-03-22 To the dismayed and disappointed disciples making their way back home to Emmaus the Sunday afternoon following the crucifixion of Jesus the resurrected Lord came alongside them and taught them all things concerning Himself from the scriptures beginning with Moses and the prophets From scripture He showed them how a crucified Messiah fulfilled all which had been written concerning His redemptive work as Immanuel God with us He opened their eyes to understand God's salvation plan for fallen man and His role in completing that work This daily devotional seeks to show how scripture reveals the Lord Jesus as the Lamb of God who takes away the sins of the world and He stands at the crossroads between eternal life with God and eternal life separated from God It is my sincerest prayer and desire that you will see His glory reflected in the scriptural texts for each day the associated meditations of my heart and be compelled to take up your cross and follow Him to victory and glory To my wife Carol and sons Thomas Michael and Solomon I would not have written this book were it not for you and our mutual loved ones

Broken Tools in God's Hands Keith Ellerbrock, 2010-10 I may be forgiven maybe but after what I've done my life is basically over I'm damaged goods now Forgiven Sure Able to be used Maybe for little stuff maybe but never again for anything important Ever thought things like that Join the club They're lies though lies we often speak to ourselves Broken Tools In God's Hands was written so you can know God's rescuing grace more deeply and be set free to serve Him with new hope and joy in your heart Do you think God can't use you when you're broken Then ponder this The truth is God can only use you as He desires when you're broken when you plainly see your sinfulness your helplessness your need for the Savior That's when Jesus can pour out His blood bought declaration of not guilty into your life declare you to be His perfect tool and use you for mighty things Author Keith Ellerbrock invites you to take a close look at the ugly underbelly of some of the biblical heroes of faith so you can see that they were just as messed up by nature as you are then take a closer look at God's amazing grace toward them to see that since the blood of Jesus was able to forgive and cleanse these flawed and tainted saints it's more than able to forgive and cleanse you Just as God gave them second third and however many chances so He gives those clean do-overs to you And He will use you You have His Word on it St Louis native Keith Ellerbrock has been a pastor in the Lutheran Church Missouri Synod for 25 years He currently serves Trinity Lutheran Church in Bridgeton Missouri He's the undeservedly blessed husband of Dawn and father of Erin Adam and Daniel

Touching Stories of My Life in Journey to Christian Holiness and Hands-on Patient Care in a Weeping Healthcare Ramsis Ghaly MD FACS, 2019-08-31 This is the twelfth book in the series Christianity and the Human Brain It integrates neuroscience and the Bible the holy book of Jesus My love for Jesus Christ abides with my lifetime passion for neurosurgery and medicine I have a continual obsession for spiritual connectivity

between the Holy Spirit and the human brain which indeed separates mankind from all other living creation It has been my belief that the human brain does not limit itself to the physical skull Rather it extends in a nonphysical form to the outside spiritual world even while living on earth In other words a big part of the human brain is actually outside the skull and the body After performing brain surgeries for three decades I have realized that my theory is so true The majestic human brain can't be just the 1 500 grams of jelled matter inside the skull The human journey therefore is transforming the human brain into the brain of a man of God and transforming the hand of man into the hand of the man of God The spiritual human brain never dies Only the flesh does This is the center of my calling and my unrelenting meditations while roaming in the heartfelt spirit lacking the physical proof that science demands from me My life is dedicated to Jesus to my patients and to my residents As a physician I have reached the top within America both as a professor of neurological surgery and anesthesiology and as a well published author of several famous medical journals As an academic teacher I trained for more than thirty four years and have watched thousands of trainees graduate But all this is nothing as I strive to achieve Christian holiness and fullness In a weeping healthcare with many patients falling victims I included actual miracles testimonials and sincere quotes from patients as a testament to the Almighty and the dire need for faith and good hearted medicine This book is full of many vibrant stories that I love to share which is timely since I am guessing that my generation will soon be viewed obsolete by future generations What will remain are the books I authored This book is a text of wealth covering broad and diverse topics in my life journey within 134 chapters and organized over fourteen sections So many chapters are written about my special love for Jesus Christ and his children In poems deep reflections and spiritual release of mind I wrote extensively In fact I shut my senses and impersonated the human brains of the men of God and the children of the Most High in their prominent biblical stories A special section is dedicated to mothers newborns and little children While my soul is grieving a section is centered on the ongoing Christian persecution especially the genocide of Christians in my country Egypt which is also the ancient region of the Middle East and the oldest historic continent of Africa Furthermore I wrote some of my dreams and thoughts that I couldn't otherwise convey for one reason or another such as neuroscience in aerospace and some of the timely and touching subjects such as drug overdose human trafficking and health care crises Few chapters are included about my personal views about introducing spirituality into the recent turmoil in politics Friends human life starts with love and ends with eternal love for our savior It is never enough to share our love and write about love and talk about actual love stories of heavenly roses joy Christmas healing touch miracles and our calling for his purpose This is what my twelfth book is all about
