Neculai*, 2014-03-06 Interdisciplinary in nature this project draws on fiction non fiction and archival material to theorize urban space and literary cultural production in the context of the United States and New York City Spanning from the mid 1970s fiscal crisis to the 1987 Market Crash New York writing becomes akin to geographical fieldwork in this rich study

DIY on the Lower East Side Andrew Strombeck, 2020-08-01 The severe financial austerity imposed on New York City during the 1975 fiscal crisis resulted in a city falling apart Broken windows crumbling walls and piles of bricks were everywhere While for many this physical decay was a sign that the postwar welfare state had failed for others it represented a site of risky opportunity that could stimulate novel forms of creativity and community In this book Andrew Strombeck explores the legacy of this crisis for the city s literature and art focusing on one neighborhood where changes were acutely felt the Lower East Side In what became a paradigmatic example of gentrification the Lower East Side s population shifted from working class people to Wall Street traders and ad agents This transformation occurred in part because of high profile local artists such as Jean Michel Basquiat Keith Haring Jeff Koons and Kiki Smith but Strombeck argues that neighborhood writers also played a role Drawing on archival research and original author interviews he examines the innovative work of Kathy Acker David Wojnarowicz Miguel Pi ero Sylv re Lotringer Lynne Tillman and others and concludes that these writers still have much to teach us about changes in the nature of work and the emergence of a do it yourself ethos DIY on the Lower East Side shows how place and politics shaped literature and how New York City policies adopted at the time continue to shape our world **Critical Perspectives on Caribbean Literature and Culture** Dorsía Smith, Tatiana

Tagirova, 2011-01-18 Critical Perspectives on Caribbean Literature and Culture is a collection of a dozen essays by Caribbean scholars living in the Caribbean and around the world Each of the three sections of the book explores the Caribbean as a diasporic space through the lenses of literary and cultural systems Negotiating Borders Women Sexuality and Identity examines the creolized identities of Caribbean societies gender roles of women impact of sexual tourism and censorship of Latino gays and lesbians The essayists in this section note that much work still needs to be done in academia to give voice to repressed Caribbean populations Creating Spaces of Caribbean Artistic Expression Multiple Representations focuses on how music identity art and language depict the diversity of the Caribbean experience In this section the essayists examine how the process of creation extends to new cultural expressions Deconstructing the Diaspora Caribbean Writers as Political Activists takes into account the tension between oppressor and oppressed a pressing issue for many Caribbean authors and focuses on the role of writers in reconstructing Caribbean culture politics and history In pursuit of a more comprehensive

West Indian view this publication provides a novel perspective on Caribbean literary cultural and historical experience The essays featured complement each other in their representation of the multiplicitous Caribbean region with all its claims and anxieties They cover a wide range of writers and diverse cross cultural encounters within the Caribbean region and reflect on issues such as Caribbean identity migration and artistic form of expression This publication cuts across geographies cultures and disciplines enriching Caribbean scholarship by recognizing the Caribbean s tradition of resistance and courage **St.**
