Glock,Grace I. Kunz,2000 The purpose of the book is to assist textile and apparel students to better understand garment manufacturing and the decision making involved in marketing merchandising and producing apparel **Emergent Economies, Divergent Paths** Robert C. Feenstra,Gary G. Hamilton,2006-03-27 The economies of South Korea and Taiwan in the second half of the twentieth century are to scholars of economic development what the economy of Britain in the late eighteenth and early nineteenth centuries is to economic historians This book first published in 2006 is a collaboration between a leading trade economist and a leading economic sociologist specializing in East Asia and offers an explanation of the development paths of post World War II Korea and Taiwan The ambitions of the authors go beyond this however They use these cases to reshape the way economists sociologists and political scientists will think about economic organization in the future They offer nothing less than a theory of and extended evidence for how capitalist economies become organized One of the principal empirical findings is that a primary cause for the industrialization of East Asia is the retail revolution in the United States and the demand responsiveness of Asian manufacturers Plunkett's Retail Industry Almanac: Retail Industry Market Research, Statistics, Trends & Leading Companies Jack W. Plunkett,2007-12 No other guide covers the complete retail picture like this exciting new volume America s retail industry is in the midst of vast changes superstores and giant discounters are popping up on major corners Malls are lagging while power centers are surging ahead Savvy firms are combining bricks clicks and catalogs into multi channel retail powerhouses Which are the hottest retailers What lies ahead Our market research section shows you the trends and a thorough analysis of retail technologies chain stores shopping centers mergers finances and future growth within the industry Included are major statistical tables showing everything from monthly U S retail sales by sector to mall sales per square foot to the 10 largest malls in the US Meanwhile the corporate profiles section covering nearly 500 firms gives you complete profiles of the leading fastest growing retail chains across the nation From Wal Mart and Costco to Barnes Noble and Amazon we profile the major companies that marketing executives investors and job seekers most want to know about These profiles include corporate name address phone fax web site growth plans competitive advantage financial histories and up to 27 executive contacts by title Purchasers of the printed book or PDF version may receive a free CD ROM database of the corporate profiles enabling export of vital corporate data for mail merge and other uses
