Center (U.S.),1974 High School Students Unite! Aaron G. Fountain Jr.,2025-10-29 Mid twentieth century student activism is a pivotal chapter in American history While college activism has been well documented the equally vital contributions of high school students have often been overlooked Only recently have scholars begun to recognize the transformative role teenagers played in reshaping American education High School Students Unite highlights the crucial impact of high school activists in the 1960s and 1970s Inspired by civil rights and antiwar movements students across the nation demanded a voice in their education by organizing sit ins walkouts and strikes From cities such as San Francisco and Chicago to smaller towns such as Jonesboro Georgia these young leaders fought for curricula that reflected their evolving worldviews Drawing on archival research and interviews Aaron G Fountain Jr reveals how teenagers became powerful agents of change advocating for constitutional rights and influencing school reform Ironically the modernization of school security including police presence was partly a response to these student led movements Through oral histories and FBI records this fascinating history offers a fresh perspective on high school activism and its lasting impact on American education Leadership and Personnel Management: Concepts, Methodologies, Tools, and Applications Management Association, Information Resources,2016-02-17 Strong leaders are essential to the structure of organizations across all industries Having the knowledge skill sets and tools available to successfully motivate manage and guide others can mean the difference between organizational success and failure Leadership and Personnel Management Concepts Methodologies Tools and Applications presents the latest research on topics related to effective managerial practice as well as the tools and concepts that attribute to effective leadership Focusing on a variety of topics including human resources diversity organizational behavior management competencies employee relations motivation and team building this multi volume publication is ideal for academic and government library inclusion and meets the research needs of business professionals academics graduate students and researchers
