Father Thomas Garrity is a Catholic priest who unexpectedly comes face to face with a horrific demon Through fate or demonic manipulation he winds up substituting for a prison chaplain who mysteriously committed suicide and was counseling a serial killer condemned on death row Garrity meets with the convict who at first is mute and then becomes all too talkative claiming to be a demon A naive Father Garrity assumes he is dealing with a schizophrenic Truly possessed by the demon Furfur the inmate begins his attack on Father Garrity As all Catholic priests Garrity is uneducated and unskilled at confronting the supernatural much less a demon This demon is intent on destroying Garrity's faith in God through any means possible The one problem is that this inmate will be executed in a week so time is of the essence At first Garrity thinks that he must only survive until the execution but then finds he will become hunted afterward by a demon that will transfer to a whole new body Furfur a documented fallen angel taken from demonology initially attempts to overwhelm Garrity with his knowledge and history Failing he escalates his efforts to violence and eventually murders Father Garrity as all common parish priests is

inexperienced but is desperate to defeat this demon even though his path is crammed with obstacles He is surrounded by non believers and a Catholic organization that has created an impossible bureaucracy which frowns on the very mention of exorcism The demon Furfur intends to deliver the soul of this convict to hell and then transfer himself to another person and continue to torment the priest Father Garrity finds that Furfur in documented demonology ranks high in the hierarchy of hell and has 150 000 demons at his command Although in prison Furfur can torture the priest through hurting those close to him simply by using his legions Father Garrity reaches out to the Vatican and eventually enlists the help of the official head Exorcist He is also aided by an unofficial American exorcist Their realization that the limited time until the execution is nowhere near adequate for an exorcism makes for an unsolvable dilemma The surrounding cast of characters adds to the complexity and suspense Father Garritys immediate superior Pastor Wiesbauer is an elderly and gentle mentor who offers advice A kindly old housekeeper Margaret is the rectories mother hen A retired Father James Nolan an unofficial exorcist enters as a timely adviser The prison psychologist Katherine Schuler stands confused The Vaticans boisterous Father Dominic Tutolo flies in to assist A befuddled but helpful warden Buddy Thornton watches mystified but it is Father Garritys Chicago detective brother Bobby that becomes the unpredictable loose cannon Finally becoming a major obstruction is the Catholic Diocese Monsignor Hall who is only concerned with the churches public image Father Garrity has his problems with the Catholic organization and the changes made to the religion in the recent past He is unhappy with the concern of the financial interests over the concern for parishioners He has doubts whether confession and weekly forgiveness is not perpetuating sin and is a revolving door Yet he maintains an unshakable faith in God A faith so strong that he will never bend to the demon Furur A faith so strong that divine intervention is called for Father Garrity has a faith so strong that it can create a miracle Follow Father Garrity a flawed outspoken priest with a temper a sense of justice and no fear as he uses his faith as a shield and enters a fight he knows he cannot win See how he learns that initially demons are not scary but instead seductive He learns that only after the seduction that the evil and violence enter the picture He would rather sacrifice his life than let this evil prevail Learn how demons introduce themselves with a form of seduction with intentions to destroy a persons very soul Whether drugs alcohol food sex violence or gambling a demon will enter your life and become that little voice inside your head This trip will open your eyes and take you into the world of horror If that world exists you surely want Father Garrity on your side
