A Maker of History E. Phillips Oppenheim,2018-07-11 A Maker of HistoryE Phillips OppenheimA daring tale that explains a great historical event The most daring and the most consistently sustained of his many stories and is heartily recommended to seekers for exciting reading We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience Sebastian & Sons: A Brief History Of The Mrdangam Makers T. M. Krishna,2024-03 About the Book MUSICIAN AND ACTIVIST T M KRISHNA INVESTIGATES THE HISTORY OF THE MRDANGAM AND MEETS THE INVISIBLE KEEPERS OF A TRADITION THE MRDANGAM MAKERS The mrdangam is an integral part of the Karnatik stage its primary percussion instrument Yet startling as this is the instrument as we know it is only a century old T M Krishna investigates the history of the mrdangam and meets the invisible keepers of a tradition the mrdangam makers The making process is an intellectually aesthetically and physically taxing one From acquiring the skins for the circular membranes and straps to the wood for the drum from curing the material to the final construction and at the end of it all making sure that it has the tone that the mrdangam player wants mrdangam making is also a highly nuanced operation at every stage While several artists have been credited with the evolution of the instrument including the stalwart Palghat Mani Iyer none of them had knowledge of a fundamental aspect of the making hide The quality of the hide and how it is cured cut stretched bound and braided impacts the tone timbre and sound of the instrument This requires a highly tuned ear and an ability to translate abstract ideas expressed by musicians into the corporeal reality of a mrdangam Yet their contribution to the art of the mrdangam is dismissed as labour and repair when it is spoken of at all There are legendary mrdangam players yes there are also distinguished mrdangam makers many of them

from Dalit Christian communities who remain on the fringes of the Karnatik community Sebastian and Sons explores the world of these artists their history lore and lived experience to arrive at a more organic and holistic understanding of the music that the mrdangam makes **The World's History and Its Makers** ,1902 A Maker of History (Classic Reprint) E.
