

Knowing God and Making God Known

“ Knowledge is important, but it is not the end. Knowing, John urges us, informs action: “let us love, not in word or speech, but in truth and action.” We come to know God as love, as light, as indwelling presence so that we may be transformed, and so that we may be love and light and presence for others. ”

Making God Known Offering The Gift Of Life:

Making God Known Sherman,1999-12 The Christian Growth Study Series takes small group members into a process of growing in their relationships with the Lord as well as integrating that into their everyday lives no matter what their age occupation or calling 6 SESSIONS **Gentleness** Phyllis J. Le Peau,2001 This best selling and award winning Bible study series has been completely updated and revised for the new millennium This volume helps readers learn how to persuade rather than force be self giving rather than self assertive offer a kind word rather than defensive remarks and discover the strength to be tender 6 SESSIONS **Making God Known** Nico Van Zyl,2019-10-09 Making God known is a privilege and responsibility for those who know God It would be impossible to make God known if you don t know Him In this book I lay out the foundations for making God known or what we call evangelism This book is about knowing the character of God in what we call the moral law and making known the good news of God through Jesus Christ We find out who we are when we know God and when we know God redemptively we become equipped to make Him known **Fullness of Life and Justice for All** Thomas Eggenesperger,Ulrich Engel,Manuela Kalsky,Ellen Van Stichel,2020-09-01 Poverty inequality violent conflicts climate change migration racism burn out are just a few of the symptoms showing how living life to the fullest is out of reach for so many people in our world Is then seeking fullness of life and justice for all not a too ambitious project For nothing less than the wellbeing of humanity and in extension the whole of creation is at stake On the other hand we see people responding acting and struggling for justice liberation and a more sustainable world How to make sense of the ideas of fullness of life and justice for all in light of the many crises humanity currently faces but also the glimpses of positive and hopeful responses Even more so how to make sense theologically In this volume twenty authors reflect on how the notions of fullness of life and justice for all are theoretically conceived and have practically taken form from within Dominican theology and spirituality The contributions on youth spirituality contemplation art as a means to community building gender pluralization populism and management discuss the fullness of life in both its material and spiritual dimensions The question on justice for all is raised in confrontation with issues such as poverty migration ecological threats and the role of virtues in society In this way the book aims to uncover a variety of Dominican perspectives as valuable contributions to a broader dialogue on the fullness of life and justice for all *From Here to Eternity: Reflections on Death, Immortality, and the Resurrection of the Body* Randall B. Smith,2023-01-27 Throughout history and across cultures people have shared the hope and the belief that somehow something about the human person survives death Indeed it seems that without a notion of life after death this life would seem meaningless If in the end everything we have strived for and all our love comes to naught and is simply swallowed up by nothingness then what was the point of it all In *From Here to Eternity* Randall Smith shows how the Christian doctrines regarding the resurrection of the body and the communion of saints provide an understanding of life after death as a meaningful fulfillment of this life not a negation of it **Biblical Theological Investigations into the**

Incomprehensibility of God Francois P. Viljoen, Albert J. Coetsee, 2025-10-14 Biblical Theological Investigations into the Incomprehensibility of God draws readers into the profound attribute of God's incomprehensibility as witnessed in the unfolding narrative of Scripture. While systematic theology has long affirmed the incomprehensibility of God, this volume breaks new ground by exploring this attribute through the lens of biblical theology, tracing its expression in specific texts of the Old and New Testaments. Originating from the 2024 EABS conference in Sofia, the chapters in this volume represent research by scholars who examine how biblical texts portray God as both revealed and ultimately unfathomable by means of detailed exegetical studies.

Liturgical Theology Simon Chan, 2009-09-20 Bad worship produces bad theology and bad theology produces an unhealthy church. In *Liturgical Theology*, Simon Chan issues a call to evangelicals to develop a mature theology of the church, an ecclesiology that is grounded in the church's identity as a worshiping community. Evangelicals, he argues, are confused about the meaning and purpose of the church in part because they have an inadequate understanding of Christian worship. As a remedy for this ailment, Chan presents a coherent theology of the church that pays particular attention to the liturgical practices that have constituted Christian worship throughout the centuries. With a seasoned eye and steady hand, he guides the reader through these practices and unpacks their significance for theology, spirituality, and the renewal of evangelicalism in the postmodern era. Chan's proposal advances the conversation among evangelicals regarding the relationship between theology and worship. In contrast to some theologians who have tended to emphasize a sociological analysis, Chan argues that we need to consider what is essential to the church's theological identity. Drawing on the larger Christian tradition, Chan argues that we discover that identity primarily in the structure and significance of Christian worship.

Devotions for a Sensational Life Patsy Clairmont, 2002-04-30 I have come to realize that they may have life and that they may have it more abundantly. John 10:10 NKJV. Too many lives are characterized by boredom or even hopelessness. But God has given us everything necessary to live the abundant life for which we were designed. His love is boundless. His grace is extravagant and His joy is outrageous. Because of this, we can experience a life that is sensational regardless of our circumstances. This encouraging devotional, featuring such writers as Sheila Walsh, Thelma Wells, Barbara Johnson, Becky Tirabassi, Joni Eareckson Tada, Liz Curtis Higgs, and many more, reminds women that God meets them where they are, providing the grace and strength needed to not only survive life but to live it abundantly.

Signs and Shadows Francis J. Moloney, 2004-08-09 Moloney offers a close reading of the crucial middle section of the Gospel of John, taking the reader on a journey as Jesus' ministry unfolds. Among events dealt with are Jesus' walk on the Sea of Galilee, the description of the Good Shepherd, and the resurrection of Lazarus. The present volume represents the continuation of Moloney's ongoing narrative commentary on the Gospel, a sequel to his earlier *Belief in the Word*, which focused on chapters 1-4.

The Theology of Food Angel F. Méndez-Montoya, 2012-04-23 The links between religion and food have been known for centuries, and yet we rarely examine or understand the nature of the relationship between food and spirituality or food and sin. Drawing on literature, politics, and

philosophy as well as theology this book unlocks the role food has played within religious tradition A fascinating book tracing the centuries old links between theology and food showing religion in a new and intriguing light Draws on examples from different religions the significance of the apple in the Christian Bible and the eating of bread as the body of Christ the eating and fasting around Ramadan for Muslims and how the dietary laws of Judaism are designed to create an awareness of living in the time and space of the Torah Explores ideas from the fields of literature politics and philosophy as well as theology Takes seriously the idea that food matters and that the many aspects of eating table fellowship culinary traditions the aesthetic ethical and political dimensions of food are important and complex and throw light on both religion and our relationship to food
