Drug Mandatory Minimums United States. Congress. House. Committee on Government Reform. Subcommittee on Criminal Justice, Drug Policy, and Human Resources, 2001 *Men, Addiction, and Intimacy* Mark S. Woodford, 2012-06-14 In the substance abuse and addiction treatment realm males outnumber females two to one While gender issues are seen as a key element of women s treatment the acknowledgement that males are gendered beings who have lived lives full of male specific developmental challenges is often overlooked This text takes a developmental lifespan approach to examine the neurobiological and psychosocial factors associated with substance use disorders for males specifically in relation to emotional growth and awareness and how these areas in turn affect the development of healthy relationships Theoretical concepts from the field of interpersonal neurobiology the psychology of boys and men and the substance abuse and addiction literature are interwoven with practical clinical examples to help elucidate how the notion of fostering emotional development can strengthen the treatment and recovery processes with boys and men Relevant case examples are included that illustrate work with males of all ages and address a variety of factors associated with culture ethnicity race religion and sexual orientation Mental health practitioners will find this a valuable guide to understanding male development in relation to substance use and abuse and providing more comprehensive gender responsive counseling and assessment practices

Prison and Jail Administration: Practice and Theory Peter M. Carlson, 2013-08-30 Thoroughly revised and updated the third edition of the best selling textbook *Prison and Jail Administration Practice and Theory* covers all aspects of prison administration from organizational structure and management accountability to food service personnel corruption and the impact of technology on penal institutions Authored by over sixty leading experts in the field the text provides students with a unique balance of practice and theory and includes suggested readings learning objectives and discussion questions to help students gain an in depth understanding of the material The third edition includes all new pedagogical features instructor resources and new chapters on current topics such as women offenders the world of a

corrections officer hiring and retention of staff institution pre release programs and restorative justice The most comprehensive and accessible prison administration textbook available Prison and Jail Administration Practice and Theory Third Edition is essential reading for students in correctional administration courses
