Indian Diaspora, 2008-01-01 Indian Diaspora Social Gerontology Nursing Multiculturalism Education In historic and ethnographic accounts of Indians living in diaspora the elderly seem to receive much less attention than the new generation and its progress prosperity and success Using critical pedagogy approach this book attempts to close that gap by focusing on the voices of the Punjabi Bengali Sindhi and Gujarati diasporic Indians elderly living in five countries Learning to listen to the voices of these seniors may enable professors teachers students policy makers and parents to work towards building democratic societies *Nation-Building, Education and Culture in India and Canada* K. Gayithri, B. Hariharan, Suchorita Chattopadhyay, 2019-09-10 This volume provides comparative perspectives on issues related to education culture sustainable development and nation building in India and Canada It takes cognizance of current research in Indo Canadian comparative studies and is meant to facilitate further research in these areas It importantly highlights the trends and growth areas in comparative social science and humanities research between the countries The chapters in this volume discuss the research that scholars have recently undertaken in both countries and the impact that such comparative research has on developing partnerships learning methodologies and socio cultural narratives that empower interdisciplinary research The chapter authors take up important issues related to community college development mental health in education multilingual education indigenous populations and their education and development They discuss issues related to bilateral and foreign trade agreements as well as policies of the two countries on climate change research Lastly they discuss indigenous performance cultures and sports in the two countries and the long history of migration from India to Canada The volume is of interest to a wide readership from the humanities and social sciences particularly readers interested in Indo Canadian scholarship

The Changing Face of Canada Roderic P. Beaujot, Donald W. Kerr, 2007 Canadian society is rapidly changing This concise up to date volume masterfully captures this change Edited by two of Canada's leading demographers Roderic Beaujot and Don Kerr this book is an exciting entry in Canadian population studies drawing from a variety of disciplines including sociology geography economics history and epidemiology The Changing Face of Canada is an essential text for demography courses across the country Each reading has been meticulously edited and concisely ordered into five essential sections fertility mortality international migration domestic migration and population distribution population aging

population composition Vital issues include the role of immigration in Canada's future the deteriorating economic welfare of immigrants globalization undocumented migration and unwanted refugees Aboriginal population change implications of unprecedented low fertility and the astonishing demographic transformation of Canadian cities

Eastern Encounters: Canadian Women's Writing about the East, 1867-1929 Shoshannah Ganz □,2017-04-17 Eastern Encounters releases early Canadian women writers from a simple focus on autobiography and racial politics and interrogates their specific and sophisticated Asian influences With a compelling reconstruction of historical context Ganz has created perhaps the first book in a much needed series that will revisit Canadian nationalism through the important cultural exchanges she examines Though shaped with an Asian readership in mind Eastern Encounters is an important work for all who wish to challenge the notion that Judeo Christian traditions almost exclusively shaped early Canadian discourse

The Unity of Public Law David Dyzenhaus,2004-03-17 This book tackles the important topic of the relationship between three parts of the public law regime in a common law jurisdiction the common law of judicial review or the unwritten constitution the written constitution and public international law Thematic coherence is ensured by the fact that the papers were presented at a conference in early 2003 and then extensively revised and by a general focus on a path breaking decision of Canada's Supreme Court Baker The book thus contains a highly productive exchange between an international group of scholars on such themes as the rule of law judicial deference the separation of powers the role of human rights in common law reasoning on immigration and security matters and the nature of legal authority

Canada and the World since 1867 Asa McKercher,2019-09-19 This book is a history of Canada's role in the world as well as the impact of world events on Canada Starting from the country's quasi independence from Britain in 1867 its analysis moves through events in Canadian and global history to the present day Looking at Canada's international relations from the perspective of elite actors and normal people alike this study draws on original research and the latest work on Canadian international and transnational history to examine Canadians involvement with a diverse mix of issues from trade and aid to war and peace to human rights and migration The book traces four interconnected themes independence and growing estrangement from Britain the longstanding and ongoing tensions created by ever closer relations with the United States the huge movement of people from around the world into Canada and the often overlooked but significant range of Canadian contacts with the non Western world With an emphasis on the reciprocal nature of Canada's involvement in world affairs ultimately it is the first work to blend international and transnational approaches to the history of Canadian international relations
