Making A Difference Volunteering For Canadian Youth:

Making a Difference Val Adolph, Valerie Ahwee, 1990-01-01 Grade level 5 6 7 8 9 10 11 12 e i s *Canadian Books in Print*, 2000 *Learning and Volunteering Abroad for Development* Rebecca Tiessen, 2017-07-20 Learning volunteer abroad programmes provide opportunities for cross cultural understanding partnership building and cooperative development but there are also significant structural challenges and inequality of opportunity issues that result from these partnerships between host organizations in the Global South and learning volunteer abroad for development LVA4D participants from the Global North Learning and Volunteering Abroad for Development aims to unpack the complex benefits and disadvantages of learning volunteer abroad programmes using insights from the volunteers who travel abroad and the communities who host them Based on empirical research within both volunteer and host communities this book provides students and scholars with an alternative framework for a more careful and nuanced analysis of international volunteering programmes highlighting ways to improve critical reflection development outcomes and intercultural competence Supported by a website with additional learning resources this book is an integral resource for senior undergraduate and graduate students interested in going abroad as well as for scholars or development professionals who are leading or researching such programmes

Making a Difference Stephen Ward, 2008-01-01 This book is a cross national analysis of the role of the Internet in elections It examines the role of context in shaping candidate and party usage of the Internet in democratic electoral systems

Canadians, 1990-04 *Worldwide Volunteering*, 2004 This book demonstrates the enormous range of opportunities that exist around the world There is something for everyone from the Foreword by Richard Branson **Youth Empowerment and Volunteerism** Elaine S.C LIU, Michael J. HOLOSKO, T. Wing LO, 2008-12-01 The book provides guidelines and practical creative exercises which equip creative major students as well as creative practitioners with fundamental knowledge on creation methods Combination of functionality simplicity and aesthetics in modern design is considered a fundamental design principle in the Bauhaus School in Germany and inspired by the School the creative handcrafting exercises and the concepts introduced in this book are primarily coherent with this principle The book draws a direction between two and three dimensional material based design and modern digital creation process The first part of the book introduces various creative handcrafting exercises on proportion geometry and modularity among other fundamental design principles The creative exercises will sensitize students on aesthetical and structural issues and thus serve as an essential building block for application of the design principles to computer based creative processes which are introduced in the second part of the book Published by City University of Hong Kong Press *Handbook of Youth Mentoring* David L. DuBois, Michael J. Karcher, 2013-04-30 This thoroughly updated Second Edition of the Handbook of Youth Mentoring presents the only comprehensive synthesis of current theory research and practice in the field of youth mentoring Editors David L DuBois and Michael J Karcher gather leading experts in the field to offer critical and informative analyses of the full spectrum of topics

that are essential to advancing our understanding of the principles for effective mentoring of young people This volume includes twenty new chapter topics and eighteen completely revised chapters based on the latest research on these topics Each chapter has been reviewed by leading practitioners making this handbook the strongest bridge between research and practice available in the field of youth mentoring

Globetrotting or Global Citizenship? Rebecca Tiessen, Robert Huish, 2014-04-30 Globetrotting or Global Citizenship explores the broad range of international experiential learning options available to Canadian students as well as the opportunities and the ethical dilemmas that come with them Combining practical advice with critical examinations of international experiential learning this essay collection is designed to help the reader to move beyond photo ops and travel opportunities and towards striving for a deeper global citizenship Globetrotting or Global Citizenship is a valuable guide for students considering going abroad for experiential learning and a useful resource for those returning from such programs as well as instructors and administrators facilitating pre departure and return orientation sessions Anyone taking part in international volunteering will find the reflections and analysis provided here an excellent starting point for understanding the potential impact of their time abroad

Revisiting Multiculturalism in Canada Shibao Guo, Lloyd Wong, 2015-12-01 In 1971 Canada was the first nation in the world to establish an official multiculturalism policy with an objective to assist cultural groups to overcome barriers to integrate into Canadian society while maintaining their heritage language and culture Since then Canada's practice and policy of multiculturalism have endured and been deemed as successful by many Canadians As well Canada's multiculturalism policy has also enjoyed international recognition as being pioneering and effectual Recent public opinion suggests that an increasing majority of Canadians identify multiculturalism as one of the most important symbols of Canada's national identity On the other hand this apparent successful record has not gone unchallenged Debates critiques and challenges to Canadian multiculturalism by academics and politicians have always existed to some degree since its policy inception over four decades ago In the current international context there has been a growing assault on and subsequent retreat from multiculturalism in many countries In Canada debates about multiculturalism continue to emerge and percolate particularly over the past decade or so In this context we are grappling with the following questions What is the future of multiculturalism and is it sustainable in Canada How is multiculturalism related to egalitarianism interculturalism racism national identity belonging and loyalties What role does multiculturalism play for youth in terms of their identities including racialization How does multiculturalism play out in educational policy and the classroom in Canada These central questions are addressed by contributions from some of Canada's leading scholars and researchers in philosophy psychology sociology history education religious studies youth studies and Canadian studies The authors theorize and discuss the debates and critiques surrounding multiculturalism in Canada and include some very important case studi
