their tutors Children's Perspectives on Domestic Violence Audrey Mullender, Gill Hague, Umme F Imam, Liz Kelly, Ellen Malos, Linda Regan, 2002-11-15 The research methodology and the problems encountered when studying a subject such as domestic violence coupled with the ethical problems of researching with children are discussed at length in the book This gives a good insight into the intricacies of conducting such a research study The research looked not only at children who were known to have direct contact with domestic violence but also what children in general thought and felt about domestic violence The presentation of the findings both in tabular and narrative form was well presented Accident and Emergency Nursing Journal This book offers accessible and interesting reading It is well written as one would expect from these authors There are a lot of pointers for the way forward in terms of both policy and practice This is likely to become a seminal text Research Policy and Planning This is a useful and challenging read for all of us who seek to work effectively and ethically in this complex area of practice Professional Social Work Just looking at the authors of this book tells the reader that they are about to embark on a pioneering piece of academic research a comprehensive and authoritative piece of work Domestic Abuse Quarterly A vital tool for all those working with children ChildRight Written in a lucid style and is easy to read it is essential reading for all students in social work undergraduate courses and also in post qualifying courses on child welfare and protection In addition professionals who are directly working in the area of child protection schools and criminal justice settings would find this book informative and useful in understanding what children and young people want and need in relation to living in domestic violence situations Child and Family Social Work This book is powerfully written and is essential reading for professional working with and supporting abused women and their children Its groundbreaking focus on children's experiences adds much to our understanding of the complexities of domestic violence Journal of Family Studies A treasure chest of rich diverse and powerful extracts from children and young people in particular the material presented on different coping strategies used by children who have experienced domestic violence is an important contribution to an area about which very little is known Adoption and Fostering Journal How do children who live with domestic violence cope How do they make sense of their experiences Do they receive the right sort of help from formal and informal sources Drawing on the newest research designed to hear the voices of children and young people this important book examines children's experiences and perspectives on living with domestic violence The authors explore the effect of domestic violence on children what children say would help them most in coping with domestic violence the advice children would offer other children who find themselves in similar circumstances their mothers and the helping professions This accessible book written for students their teachers researchers and all those working with children across social work health child psychology and psychiatry the law and education will provide a vital insight into children's own perspectives on domestic violence **Domestic Violence and Children** Abigail Sterne, Liz Poole, 2009-10-16 This book describes the impact of domestic violence on children and provides support for education and social care professionals suggesting practical ways in which Education staff can meet the

needs of pupils from difficult home backgrounds Home Truths About Child Sexual Abuse Catherine Itzin, 2005-06-28
Home Truths About Child Sexual Abuse brings together the findings of research and clinical work by leading figures in the UK and USA. It makes visible the prevalence of sexual abuse and exploitation of children by normal ordinary heterosexual family men both within and outside the family. Comprehensive and multidisciplinary in approach, it covers the many different aspects of child sexual abuse including phenomenology, definitions and terminology, epidemiology, explanatory frameworks, concepts and theory, the contribution of radical feminism, constructs, classifications and typologies, policy treatments, multi-disciplinary and multi-agency work, medical advice, gender issues, criminal justice. The book provides the evidence and knowledge base necessary to begin to achieve effective prevention. It offers professionals, researchers and policy makers an invaluable source of reference and an informed basis for action.

Child Protection, Domestic Violence and Parental Substance Misuse Hedy Cleaver, Deborah Cleaver, Sukey Tarr, Don Nicholson, 2007-09-15 This book draws on a wide range of evidence to explore the facts about the relationship between substance misuse and domestic violence and their effect on children and examines the response of children's services when there are concerns about the safety and welfare of children.

Childhood Experiences of Domestic Violence Caroline McGee, 2000-07-01 Based on the first-hand accounts of children and their mothers regarding their experiences of both domestic violence and support services, this is the first book to examine children's experiences of a range of service provision in response to domestic violence.

Preventing Violence against Women and Girls Jane Ellis, Ravi K. Thiara, 2014-10-22 The need for children and young people to learn about violence against women and girls (VAWG) has been voiced since the late 1980s. This is the first ever book on educational work to prevent VAWG, providing the most comprehensive contribution to our knowledge and understanding in this area. By bringing together international examples of research and practice, the book offers insight into the underpinning theoretical debates and key lessons for practice, addressing the complexities and challenges of developing, implementing and evaluating educational work to prevent VAWG. This multidisciplinary book will be of interest to educationalists, VAWG and child welfare practitioners, policy makers, researchers and students.
