Making Campaigns Count Leadership And Coalition Building In 1980:

Making Campaigns Count Darrell M. West, 1984-05-23 Darrell M West explores leadership and and coalition building in the 1980 presidential campaign Concentrating upon the candidates own perceptions of the need to build coalitions that will elect them he raises questions that go to the heart of presidential politics how have changes in presidential campaigns influenced candidate strategies what coalitions did presidential contenders try to put together how did the candidates use rhetoric campaign travel and symbolism in their coalition building what did candidates learn from their audiences in their months and years on the campaign trail what do these lessons imply for political leadership and coalition building To answer these questions he draws on interviews with ninety advisors to candidates and on data taken from the candidates travels and speeches press coverage and audience reactions His findings reveal a surprising consistency in the approach to building an electoral majority

The Strategy of Campaigning Kiron Skinner, Bruce Bueno de Mesquita, Serhiy Kudelia, Condoleezza Rice, 2010-02-05 Explores the political careers of Ronald Reagan and Boris Yeltsin who overcame defeat early in their political careers and rose to the highest elected offices in their respective countries

Political Parties and the Maintenance of Liberal Democracy Kelly D. Patterson, 1996 The highly publicized obscenity trial of Radclyffe Hall's *The Well of Loneliness* 1928 is generally recognized as the crystallizing moment in the construction of a visible modern English lesbian culture marking a great divide between innocence and deviance private and public New Woman and Modern Lesbian Yet despite unreserved agreement on the importance of this cultural moment previous studies often reductively distort our reading of the formation of early twentieth century lesbian identity either by neglecting to examine in detail the developments leading up to the ban or by framing events in too broad a context against other cultural phenomena Fashioning Sapphism locates the novelist Radclyffe Hall and other prominent lesbians including the pioneer in women's policing Mary Allen the artist Gluck and the writer Bryher within English modernity through the multiple sites of law sexology fashion and literary and visual representation thus tracing the emergence of a modern English lesbian subculture in the first two decades of the twentieth century Drawing on extensive new archival research the book interrogates anew a range of myths long accepted without question and still in circulation concerning to cite only a few the extent of homophobia in the 1920s the strategic deployment of sexology against sexual minorities and the rigidity of certain cultural codes to denote lesbianism in public culture

The New Hampshire Primary And The American Electoral Process Niall Palmer, 2018-02-19 New Hampshire is the subject of Palmer's book precisely because it serves as the first presidential primary every four years Many critics of the New Hampshire primary fault it for being too arcane too unrepresentative and too quixotic to use as a gatekeeper of who becomes President Palmer went to New Hampshire expecting to gather research that argued against New Hampshire as first primary As he finished he realized his findings pointed out the opposite that in fact and deed New Hampshire was as good a place to start the primary races as any other No single state is representative The retail politics that aspirants face in New Hampshire

is a very useful winnowing device in which a candidate must actually come face to face with real voters who more often than not make a study of the issues and policies that they raise in their questions *Researching the Presidency* George C. Edwards, John H. Kessel, Bert A. Rockman, 1993-02-15 This collection brings together two groups of scholars The first persons active in presidential research assess the state of the literature in the recruitment and selection of presidential candidates presidential personality advisory networks policy making evaluations of presidents and comparative analysis of chief executives A second group of scholars specialists in cognitive psychology formal theory organization theory leadership theory institutionalism and methodology apply their expertise to the analysis of the presidency in an effort to generate innovative approaches to presidential research By taking a fresh look at a well established field these groundbreaking essays encourage scholars to renew their emphasis on explanation in research *Change and Continuity in the 1988 Elections* Paul R. Abramson, John H. Aldrich, David W. Rohde, 1991 **Democracy for Hire** Dennis W. Johnson, 2016-10-18 This book is a history of political consulting in America examining how the consulting business developed highlighting the major figures in the consulting industry and assessing the impact of professional consulting on elections and American democracy A key focus is on presidential elections beginning in 1964 and the important role played by consultants and political operatives *How to Research Elections* Fenton S. Martin, Robert Goehlert, 2000 Martin and Goehlert authors of the definitive CQ's Resource Guide to Modern Elections have written a simple but comprehensive explanation for users of all skill levels who need to gather election information from the huge array of print and electronic sources available today They enhance this how to with an annotated selection of the most useful print sources which your patrons can turn for just the right information In Part I the authors describe secondary research tools such as news organizations databases opinion polls and Internet locations and primary sources such as campaigns election financing political parties consultants and more Part II contains their selected bibliography with descriptive annotations that lists hundreds of important books on topics ranging from campaigns to voting participation **Change and Continuity in the 1984 Elections** Paul R.
