Making Hate A Crime:

Making Hate A Crime Valerie Jenness, Ryken Grattet, 2004-04-22 Violence motivated by racism anti-Semitism misogyny and homophobia weaves a tragic pattern throughout American history Fueled by recent high profile cases hate crimes have achieved an unprecedented visibility Only in the past twenty years however has this kind of violence itself as old as humankind been specifically categorized and labeled as hate crime Making Hate a Crime is the first book to trace the emergence and development of hate crime as a concept illustrating how it has become institutionalized as a social fact and analyzing its policy implications In Making Hate a Crime Valerie Jenness and Ryken Grattet show how the concept of hate crime emerged and evolved over time as it traversed the arenas of American politics legislatures courts and law enforcement In the process violence against people of color immigrants Jews gays and lesbians women and persons with disabilities has come to be understood as hate crime while violence against other vulnerable victims octogenarians union members the elderly and police officers for example has not The authors reveal the crucial role social movements played in the early formulation of hate crime policy as well as the way state and federal politicians defined the content of hate crime statutes how judges determined the constitutional validity of those statutes and how law enforcement has begun to distinguish between hate crime and other crime Hate crime took on different meanings as it moved from social movement concept to law enforcement practice As a result it not only acquired a deeper jurisprudential foundation but its scope of application has been restricted in some ways and broadened in others Making Hate a Crime reveals how our current understanding of hate crime is a mix of political and legal interpretations at work in the American policymaking process Jenness and Grattet provide an insightful examination of the birth of a new category in criminal justice hate crime Their findings have implications for emerging social problems such as school violence television induced violence elder abuse as well as older ones like drunk driving stalking and sexual harassment Making Hate a Crime presents a fresh perspective on how social problems and the policies devised in response develop over time A Volume in the American Sociological Association's Rose Series in Sociology

The Psychology of Hate Crimes as Domestic Terrorism Edward W. Dunbar, Amalio Blanco Ph.D., Desirée A. Crèvecoeur- MacPhail Ph.D., 2016-11-21 In this three volume set an international team of experts involved in the research management and mitigation of hate motivated violence examines and explains hate crimes in the United States and around the globe drawing comparisons between countries as well as between hate crimes overall and domestic terrorism The Psychology of Hate Crimes as Domestic Terrorism U S and Global Issues takes a hard look at hate crimes both domestically and internationally enabling readers to see similarities and disparities as well as to make the connections between hate crimes and domestic terrorism The entries in this three volume set discuss subjects such as the psychology and motivation in hate crimes the cultural norms that shape tolerance of outgroups or tolerance of hate and the fact that hate crimes are a pervasive form of domestic terrorism as well as myriad issues of proliferation public policy policing law and punishment and

prevention The set opens with an introduction that discusses hate crime research and examines issues of identification of the bias element of hate crimes via empirical and case vignettes The subsequent chapters discuss subjects such as the socio demographic profiles of hate crime offenders hate crime legislation and policy in the United States the effects of hate crime on their victims as well as society the incidence of hate crime in specific regions such as Europe the Middle East and South America and programs and therapeutic interventions to heal victims Readers will also learn how specific educational approaches in communities schools and universities can be implemented to help prevent future escalation of hate motivated violence

The Globalization of Hate Jennifer Schweppe, Mark Austin Walters, 2016 The Globalisation of Hate Internationalising Hate Crime is the first book to examine the impact of globalisation on our understanding of hate speech and hate crime Bringing together internationally acclaimed scholars with researchers policy makers and practitioners from across the world it critically scrutinises the concept of hate crime as a global phenomenon seeking to examine whether hate crime can or should be conceptualised within an international framework and if so how this might be achieved Beginning with the global dynamics of hate the contributions analyse whether hate crime can be defined globally whether universal principles can be applied to the phenomenon how hatred is spread and how it impacts upon our global society The middle portion of the book moves beyond the broader questions of globalisation to jurisdictional examples of how globalisation impacts upon our understanding of and also our responses to hate crime The chapters explore in greater detail what is happening around the world and how the international concepts of hate crime are being operationalised locally drawing out the themes of globalisation and internationalisation that are relevant to hate crime as evidenced by a number of jurisdictions from Europe the US Asia and Africa The final part of the book concludes with an examination of the different ways in which hate speech and hate crime is being combatted globally International law internet regulation and the use of restorative practices are evaluated as methods of addressing hate based conflict with the discussions drawn from existing frameworks as well as exploring normative standards for future international efforts Taken together these innovative and insightful contributions offer a timely investigation into the effects of hate crime offering an interdisciplinary approach to tackling what is now a global issue It will be of interest to scholars and students of criminology sociology and criminal justice as well as criminal justice practitioners police officers and policy makers
