Robin Maxson, 2012 Not everyone will marry or should but virtually all single adults think about marriage And all make decisions that either maintain their singleness or attempt to change it This book by the authors of the groundbreaking *Decision Making and the Will of God* offers an in depth tutorial to help singles apply biblical principles to the critical choices they confront Do I want to get married Are there good reasons to remain single What sort of person should I consider as a potential spouse How do I look for a mate What should I do if no spouse shows up What is God s role in the decision making process This comprehensive volume will equip readers to make wise choices about marriage according to the will of God It s also an invaluable resource for parents counselors and pastors **New Monasticism and the Transformation of American Evangelicalism** Wes Markofski, 2015 In New

The Truth About Material Wealth: Is It God’S Blessing in Disguise? Revd Dr Gabriel J. Anan PhD,2015-11-23 The text of this book reveals the fact that because of poverty in our world theres a desire for every being to accumulate material possessions therefore the temptation to pursue this cause of action can never be underestimated regardless of our belief in the Lord God Regardless of the desire to be wealthy however many believers still ascertain the fact that poverty must be encouraged as part of our faith in Jesus Christ our Lord They support the argument from the biblical text thus For it is easier for a camel to go through the eye of a needle than for a rich person to enter the kingdom of God Luke 18 25 Conversely other believers assert that God does not refute richness and therefore also affirms their belief with the biblical verse that says in the Proverbs 22 7 that the rich rule over the poor and the borrower is servant to the lender In Ecclesiastes 5 19 we hear further thus When God gives any man a wealth and possessions and enables him to enjoy them to accept his lot and be happy in his workthis is a gift of God Furthermore we hear from 1 Samuel 2 7 that the Lord makes poor and makes rich he brings low and he exalts These biblical verses indicate the fact that God raises both the rich and the poor The Good News Bible in giant print expands this verse to mean the Lord makes some men poor and others rich He humbles some and makes others great 1 Sam 2 7 Deducing from these texts we can come to some kind of understanding that further reflection on both sides of the arguments is fundamentally in demand for an in depth illumination of how to live within the grace of the Living God

Noah Built His Ark In The Sunshine Rev. James W. Moore,2003-08-01 Noah built his ark on a sunny day trusting in God he prepared in advance for the storm that was to come He didn t wait until the last minute He used the sunny days to get himself ready He used those bright days to build up the resources he would need when the rain and the floods came later In his story we learn many important things about his faith gratitude and spiritual strength But the question is How do we get there How do we reach that level of spiritual maturity That kind of faith and spiritual maturity doesn t just happen overnight We have to build it We have to work at the faith practice it express it study it share it And as we do our faith will grow and our gratitude will deepen and we too will be able to pray Lord whatever this day may bring you are here you are in it you are with us so may your name be praised
