The Making of a Veterinarian & Other Stories DVM DAVID E. LARSEN, 2025-01-31 Dr. Sanders handed me the flashlight after I jumped into the pigpen. Then he scrambled in after me. The wind still stung our faces as it blew through the wide slats in the fence. We duck-walked back toward the corner the boys had pointed out to us. At least all the manure was frozen solid. This would be just as interesting in the summer. I thought from *'Twas the Night Before Christmas*. *The Making of a Country Veterinarian*. This second edition of Dr. David E. Larsen's fifth book in his *Memoirs of a Country Vet* series contains all the stories from the first edition plus many new ones that continue to describe his early years in veterinary medicine. From tending to a sick cow when he was a kid through high school, college, an Army enlistment, more college, and finally veterinary school, this active farm boy with a diverse background from Oregon's Coquille River Valley became the country vet he aspired to, and his struggles and life events and challenges that shaped him as a veterinarian. For forty years, Dave served the animals in his care with skill and expertise and their owners with knowledge, grace, and humor.
