Making Of Harcourt General:

The Making of Harcourt General Bettye H. Pruitt, 1994-01-01 Spanning the conglomerate era 1980s merger mania the painful restructuring of the 1990s The Making of Harcourt General documents the fascinating story of one company's diversification including General Cinema's as the company used to be called entry into soft drink bottling its white knight rescue of department store chain Carter Hawley Hale out of which emerged The Neiman Marcus Group and most recently its protracted but successful effort to extricate Harcourt Brace Jovanovich from a debt burden that threatened to drive it into bankruptcy the deal that led to renaming the company Harcourt General

The Making of Harcourt General Bettye Hobbs Pruitt, George David Smith, 1994 The Making of Harcourt General describes the transformation of a small movie theater proprietorship formed in the early days of the industry into a major diversified firm with businesses in publishing Harcourt Brace retailing Neiman Marcus and insurance as well as theaters General Cinema As Mid West Drive In Theatres Inc the company was a pioneer in its industry first with family oriented drive ins and later with shopping center theaters From early on however driven by the cash generating power of the theater business it pursued a strategy of diversification navigating the conglomerate era the junk bond fueled merger mania of the 1980s and the more painful period of restructuring in the early 1990s This book offers a unique inside view of the evolution of Harcourt General but also places that evolution in a broader context illuminating the dramatic changes that have occurred in the business environment in those years Harcourt General's diversification strategy has taken the company through an exciting series of acquisitions In the late 1960s as General Cinema it entered soft drink bottling gaining an early lead in the consolidation of that industry From a white knight rescue of Carter Hawley Hale in 1984 it emerged in 1988 with a new specialty retail chain the Neiman Marcus Group In 1992 General Cinema extricated the publisher Harcourt Brace Jovanovich from a heavy burden of junk bond debt that threatened to drive it into bankruptcy the deal that led to the renaming of the company Harcourt General Throughout the founding family has retained a controlling stake in the company and an active role in management In The Making of Harcourt General Bettye H. Pruitt examines important issues confronting all diversified firms the relationship between business and financial strategy the assimilation of acquired businesses and the tension between company divisions and the corporate office as well as issues important to owner managed companies including succession and professionalization of management Readers interested in diversification family business the movie exhibition and soft drink bottling industries or simply the history of a successful company will find The Making of Harcourt General a remarkable tale of American enterprise

Diversification in Industry Michael Morrissey, 2000

Dutch Messengers: A History of Science Publishing, 1930-1980 Cornelis Andriessse, 2008-11-30 In this pioneering work based upon interviews with many of the surviving protagonists Cornelis Cees Andriessse tells the story of the role that Dutch publishing houses played in the rise of English language commercial science publishing after the Second World War that was preceded by the decline of

science publishing in German Using the existing literature as well as many privately held archival sources the author follows the fortunes of the leading publishers Martinus Nijhoff Elsevier and North Holland while also briefly discussing smaller houses like Dr W Junk and Reidel The book contains lively portraits of the main characters involved and will no doubt stimulate further research and discussion of the role of publishing in the history of science The authors main thesis that successful publishing requires a strong fruitful partnership between an academic publisher and an academic editor will no doubt convince most readers This is a great book on the most productive friendships and partnerships in the history of science publishing

The Economics and Financing of Media Companies Robert G. Picard, 2011 This work employs business concepts and analyses to explore the operational activities of media firms and the forces and issues affecting them

The Outsiders William N. Thorndike Jr., 2012-10-02 An outstanding book about CEOs who excelled at capital allocation Warren Buffett 1 on Warren Buffett s Recommended Reading List Berkshire Hathaway Annual Shareholder Letter 2012 Named one of 19 Books Billionaire Charlie Munger Thinks You Should Read in Business Insider A book that details the extraordinary success of CEOs who took a radically different approach to corporate management Charlie Munger Vice Chairman of Berkshire Hathaway Corporation Thorndike explores the importance of thoughtful capital allocation through the stories of eight successful CEOs A good read for any business leader but especially those willing to chart their own course Michael Dell chairman of the board of directors and chief executive officer of Dell What makes a successful CEO Most people call to mind a familiar definition a seasoned manager with deep industry expertise Others might point to the qualities of today s so called celebrity CEOs charisma virtuoso communication skills and a confident management style But what really matters when you run an organization What is the hallmark of exceptional CEO performance Quite simply it is the returns for the shareholders of that company over the long term In this refreshing counterintuitive book author Will Thorndike brings to bear the analytical wisdom of a successful career in investing closely evaluating the performance of companies and their leaders You will meet eight individualistic CEOs whose firms average returns outperformed the S an exceptional talent for allocating capital and human resources and the belief that cash flow not reported earnings determines a company s long term value Drawing on years of research and experience Thorndike tells eye opening stories extracting lessons and revealing a compelling alternative model for anyone interested in leading a company or investing in one and reaping extraordinary returns

The Economics of Joan Robinson Maria Cristina Marcuzzo, Luigi Pasinetti, Alesandro Roncaglia, 2005-08-12 Joan Robinson is widely regarded as the greatest female economist Her published work spanned six decades and is analysed here by a distinguished international team of scholars

The Palgrave Companion to Cambridge Economics Robert A. Cord, 2017-02-20 Cambridge University has and continues to be one of the most important centres for economics With nine chapters on themes in Cambridge economics and over 40 chapters on the lives and work of Cambridge economists this volume shows how economics became established at the university how it produced some of the world s best known

economists including John Maynard Keynes and Alfred Marshall plus Nobel Prize winners such as Richard Stone and James Mirrlees and how it remains a global force for the very best in teaching and research in economics With original contributions from a stellar cast this volume provides economists especially those interested in macroeconomics and the history of economic thought with the first in depth analysis of Cambridge economics **Class Clowns** Jonathan A. Knee, 2016-11-29 The past thirty years have seen dozens of otherwise successful investors try to improve education through the application of market principles They have funneled billions of dollars into alternative schools online education and textbook publishing and they have with surprising regularity lost their shirts In *Class Clowns* professor and investment banker Jonathan A Knee dissects what drives investors efforts to improve education and why they consistently fail Knee takes readers inside four spectacular financial failures in education Rupert Murdoch s billion dollar effort to reshape elementary education through technology the unhappy investors including hedge fund titan John Paulson who lost billions in textbook publisher Houghton Mifflin the abandonment of Knowledge Universe Michael Milken s twenty year mission to revolutionize the global education industry and a look at Chris Whittle founder of EdisonLearning and a pioneer of large scale transformational educational ventures who continues to attract investment despite decades of financial and operational disappointment Although deep belief in the curative powers of the market drove these initiatives it was the investors failure to appreciate market structure that doomed them Knee asks What makes a good education business By contrasting rare successes he finds a dozen broad lessons at the heart of these cautionary case studies *Class Clowns* offers an important guide for public policy makers and guardrails for future investors as well as an intelligent expos for activists and teachers frustrated with the repeated underperformance of these attempts to shake up education *New York Magazine* , 1994-02-28 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
