Robert Chambers

Mixed Tidings Shorter Lyrics And Other Poems:

Mixed Tidings Michael Frederick Clark, 2005-01 Memoir of a Military Mustang is a detailed journal of the author's 21 years of service in the United States Air Force. The word mustang is military slang used to describe an enlisted person who eventually receives an officer's commission. The author served seven years in the enlisted ranks before securing an officer's commission. While sorting through numerous military documents and memorabilia, Major Lear began recalling many of his previous military experiences. This book transports the reader back in time as it reflects on the many ups and downs of his military career. Each chapter highlights a different character trait which was most prevalent during each particular time frame. The author's original intent was to simply document his military experiences; however, the book soon evolved into much more. Life in the military can be lonely if you have no family to share it with. Since his family was so important to his military career, he decided to include their personal experiences within the book. *Memoir of a Military Mustang* reveals the inner thoughts and feelings of a military professional. While many of the stories he relates are true, some names have been changed to protect the privacy of those individuals. The author hopes the book will provide readers with a positive perspective of the military environment.

Henry Newsome's Last Case Michael Frederick Clark, 2011-04 After his retirement in 1996, Michael Frederick Clark continues to be active as a published Field Ornithologist as well as in his work as a pastoral visitor and 3rd World volunteer. A lover of nature and of all things classical in the arts, he is also an enthusiastic reader in several fields. In recent years, Mr. Clark has published two works of fiction and two of poetry all through AuthorHouse, including *GOLDEN YEARS*, *Three Tales For A Winter's Evening*, and the present work, fiction and *MIXED TIDINGS Shorter Lyrics And Other Poems* and *SOUNDINGS A Volume of Longer Poems*. *Distraught and aging Henry Newsome*, a retired Chief of Detectives from the St. Louis Police Department, travels north in the late 60s into Canada to visit with his cousin Mini Carmichael, who decades before had asked to be his wife. In the small town of Dunnestun, Ontario, Henry is met by one of the heaviest winter storms on record and by a tangled web of hideous murders that tests even his skills as an internationally acclaimed forensics expert. Plagued by a town plunged into a deep winter torpor, a green and conflicted police sergeant, his own issues with advancing age and his frustrating attempts to reconnect with his much altered cousin, Henry's task is far from easy. Most vexing and problematic is Mini's strange little nephew, a visionary who is in some way central to the case. While the bringing to justice of a brutal and cold-blooded child murderer is the plot's centerpiece, it is only one part of a larger story of deepening intrigue and mystery. As told from the multiple viewpoints of the engaging principal characters, *HENRY NEWSOME'S LAST CASE* will hold the attentive reader's interest to the very last page. **The London Mercury**, 1927
