Naked Face:

The Naked Face Sidney Sheldon,1971 **The Naked Face** Vivien Margaret Gaston,2010-01-01 A groundbreaking interpretation of self portrait illustrating six key ideas about the human persona identity performance myth and psyche scrutiny empathy and touch and trace The Divine Face in Four Writers Maurice Hunt,2017-06-29 A comparative study that explores the influence of Christian and Classical ideas about the divine face in the writing of four major writers in Western literature **The Psychology of Sex (Vol. 1-6)** Havelock Ellis,2022-12-10 Havelock Ellis s monumental work The Psychology of Sex spans six volumes offering an exhaustive exploration of sexual behavior identity and societal norms through a blend of psychological analysis and cultural critique Written in the late 19th and early 20th centuries Ellis s pioneering approach intertwines scientific inquiry with a narrative style that is both accessible and richly detailed This seminal text not only maps the biological and psychological underpinnings of human sexuality but also delves into broader themes of gender morality and the impact of societal constraints on sexual expression positioning the work within the burgeoning field of sexology during a time of great socio political change Havelock Ellis a prominent English physician and social reformer brought a radical lens to topics often shrouded in taboo His progressive views on sexuality influenced by the early feminist movement and his collaboration with contemporary thinkers shed light on the complexities of sexual identity and human behavior Ellis s combination of clinical observation and humanistic philosophy reflects his commitment to destigmatizing sexual discourse a mission that deeply informed his writing process This landmark series is essential reading for anyone interested in the evolution of sexual psychology and the cultural implications of sexual identity Ellis s insightful analysis resonates with contemporary discussions surrounding sexuality and offers historical context crucial for understanding modern perspectives Readers will find themselves compelled by Ellis s lucid prose and thorough research making this work an indispensable addition to both academic and personal libraries **Social Epistemology and Technology** Frank Scalabrino,2015-12-16 How has technology changed what it means to be human and to be a member of a human society How has technology changed the way we acquire knowledge of the world we inhabit In light of these changes and the direction we are moving how should the pursuit of knowledge be organized Social Epistemology and Technology provides insights into such questions relating to public self awareness regarding technology The concerns addressed in this book apply to a large and diverse audience including but not limited to those interested in social epistemology technology cultural studies trans humanism augmented subjectivity futurology human sciences social sciences political sciences communication psychology science and technology studies and philosophy This is the first book of its kind to focus solely on technology and its socially specific epistemological themes It offers insight into public self awareness regarding technology by providing an understanding of persons in relation to the technological changes that have occurred and continue to occur across the societies they people Postmodernism and Japan 田中隆雄,Harry Harootunian,1989-07-27

Postmodernism and Japan is a coherent yet diverse study of the dynamics of postmodernism as described by Lyotard Baudrillard Deleuze and Guatarri from the often startling perspective of a society bent on transforming itself into the image of Western enlightenment wealth and power This work provides a unique view of a society in transition and confronting like its models in the West the problems induced by the introduction of new forms of knowledge modes of production and social relationships Comparative Physiognomy James W. Redfield,1852 **Ethics After Poststructuralism** Lee

Olsen,Brendan Johnston,Ann Keniston,2020-03-24 The present era of economic devastation legacies of colonization and imperialism climate change and habitat loss calls for a new understanding of ethics These essays on otherness responsibility and hospitality raise urgent questions Contributors range from the prominent including Levinas Michel Foucault Jacques Derrida and Giorgio Agamben to recent theorists such as Judith Butler Enrique Dussell and Rosi Braidotti The essays emphasize the always vulnerable status of a radically different Other even as they question what responsibility to that Other might mean The Female Face of God in Auschwitz Melissa Raphael,2003-09-02 The first full length feminist dialogue with Holocaust theory theology and social history Considers women s reactions to the holy in the camps at Auschwitz

Signature Derrida Jacques Derrida,2024-05-31 Throughout his long career Jacques Derrida had a close collaborative relationship with Critical Inquiry and its editors He saved some of his most important essays for the journal and he relished the ensuing arguments and polemics that stemmed from the responses to his writing that Critical Inquiry encouraged Collecting the best of Derrida s work that was published in the journal between 1980 and 2002 Signature Derrida provides a remarkable introduction to the philosopher and the evolution of his thought These essays define three significant periods in Derrida s writing his early seemingly revolutionary phase a middle stage often autobiographical that included spirited defense of his work and his late period when his persona as a public intellectual was prominent and he wrote on topics such as animals and religion The first period is represented by essays like The Law of Genre in which Derrida produces a kind of phenomenological narratology Another essay The Linguistic Circle of Geneva embodies the second presenting deconstructionism at its best Derrida shows that what was imagined to be an epistemological break in the study of linguistics was actually a repetition of earlier concepts The final period of Derrida s writing includes the essays Of Spirit and The Animal That Therefore I Am More to Follow and three eulogies to the intellectual legacies of Michel Foucault Louis Marin and Emmanuel Levinas in which Derrida uses the ideas of each thinker to push forward the implications of their theories With an introduction by Francoise Meltzer that provides an overview of the oeuvre of this singular philosopher Signature Derrida is the most wide ranging and thus most representative anthology of Derrida s work to date *Maternal Ethics and Other Slave Moralities* Cynthia Willett,2013-12-19 In Maternal Ethics and Other Slave Moralities which includes the first extended philosophical discussion of the works of Frederick Douglass Cynthia Willett puts forward a novel theory of ethical subjectivity that is aimed to counter prevailing pathologies of sexist racist Eurocentric culture Weaving together accounts of the self

drawn from African American and European philosophies psychoanalysis slave narratives and sociology Willett interrogates what Hegel locates as the core of the self the desire for

Cinematic Interfaces Seung-hoon Jeong,2013-07-11 In this book Seung hoon Jeong introduces the cinematic interface as a contact surface that mediates between image and subject proposing that this mediation be understood not simply as transparent and efficient but rather as asymmetrical ambivalent immanent and multidirectional Jeong enlists the new media term interface to bring to film theory a synthetic notion of interfaciality as underlying the multifaceted nature of both the image and subjectivity Drawing on a range of films Jeong examines cinematic interfaces seen on screen and the spectator s experience of them including the direct appearance of a camera filmstrip screen the character s bodily contact with such a medium interface the object s surface and the subject s face as quasi interface and the image itself Each of these case studies serves as a platform for remapping and revamping major concepts in film studies such as suture embodiment illusion signification and indexicality Looking to such theories as the ontology of the image and the phenomenology of the body this original theorization of the cinematic interface not only offers a conceptual framework for rethinking and re linking film and media studies but also suggests a general theory of the interface

Character and Person John Frow,2014-04 Character and Person explores the category of fictional character one of the most widely used and least adequately theorized concepts in literary studies cultural studies and everyday usage It sets fictional character in relation to the concept of person and tries to examine how each of these terms is constructed across different cultures

Signs and Cities Madhu Dubey,2007-11-01 Signs and Cities is the first book to consider what it means to speak of a postmodern moment in African American literature Dubey argues that for African American studies postmodernity best names a period beginning in the early 1970s marked by acute disenchantment with the promises of urban modernity and of print literacy Dubey shows how black novelists from the last three decades have reconsidered the modern urban legacy and thus articulated a distinctly African American strain of postmodernism She argues that novelists such as Octavia Butler Samuel Delany Toni Morrison Gloria Naylor Ishmael Reed Sapphire and John Edgar Wideman probe the disillusionment of urban modernity through repeated recourse to tropes of the book and scenes of reading and writing Ultimately she demonstrates that these writers view the book with profound ambivalence construing it as an urban medium that cannot recapture the face to face communities assumed by oral and folk forms of expression
