New Commentary On The Code Of Canon Law:

New Commentary on the Code of Canon Law John P. Beal, James A. Coriden, Thomas Joseph Green, 2000 A complete and updated commentary on the Code of Canon Law prepared by the leading canonists of North America and Europe Contains the full newly translated text of the Code itself as well as detailed commentaries by thirty six scholars commissioned by the Canon Law Society of America **The New Canon Law** Stanislaus Woywod, 1918 **A Commentary on the New Code of Canon Law** Charles Augustine (Rev. P., O.S.B.), 1918 **A Commentary on the New Code of the Canon Law** Charles Augustine (Rev. P., O.S.B.), 1919 *A Commentary on the New Code of Canon Law* Charles Augustine (Rev. P., O.S.B.), 1921 *A Commentary on the New Code of Canon Law* Charles Augustine Bachofen, 1920 *The New Canon Law* Stanislaus Woywod, 1940 *A Commentary on the New Code of Canon Law* Charles Augustine (Rev. P., O.S.B.), 1925

The New Canon Law Stanislaus Woywod, 2013-10-12 For several months past the articles by Father Stanislaus Woywod in the Ecclesiastical Review have informed the clergy of the most important features of the new Code of Canon Law The same author now gives to the public a Summary and Commentary of the whole Code As the present volume is published mainly with a view of the needs of the clergy engaged in the care of souls the bulk of the book has been kept as compact as possible wherefore in such places only where explanation and comment seemed necessary they have been given and in as brief a form as possible Chapters which are not needed by every priest have been mentioned only with few words and en passant as it were The fourth and the fifth Book have been summed up very briefly giving the most important points of legislation contained therein A very complete Index will make it easy to find any desired point of law We heartily congratulate Father Woywod on the good work and trust that the clergy of the United States will be pleased to find in this volume a welcome means of acquiring the necessary knowledge of the new legislation of the Church This book was published shortly after the promulgation of the Codex Juris Canonici in 1917 It must be remembered that the Code of Canon Law promulgated in 1917 did not replace the previous law it was merely a codification in one place of the law of the Catholic Church Canon Law remains constant throughout history adapting to changing circumstances in those which are adaptable and remaining firm in those which are unchangable such as the Natural Law and Divine Law which finds its way into the Code of Canon Law of the Church

Children's Rights and Obligations in Canon Law Mary McAleese, 2019-11-04 In the first study of its kind Mary McAleese subjects to comprehensive scrutiny the Roman Catholic Church's 1983 Code of Canon law as it applies to children The Catholic Church is the world's largest non governmental organisation involved in the provision of education and care services to children It has over three hundred million child members world wide the vast majority of whom became Church members when they were baptised as infants Canon law sets out their rights and obligations as members Children also have rights which are set out in the 1989 United Nations Convention on the Rights of the Child to which the Holy See is State Party The impact of the Convention on Canon Law is examined in detail and the analysis charts a distinct and worrying

sea change in the attitude of the Holy See to its obligations under the Convention since the clerical sex abuse scandals became a subject of discussion at the Committee on the Rights of the Child which monitors implementation of the Convention

Mary McAleese wins Europe's richest theology prize for her study of canon law The former President of Ireland Mary McAleese has won one of the Catholic world's most prestigious prizes the Alfons Auer Ethics Award from Tübingen University in Germany for her doctoral thesis on Children's Rights and Obligations in Canon Law
