New Departure Handbook Volume 2 6ed:

National Union Catalog, 1953 **Gear Handbook** Darle W. Dudley, 1962 *American Book Publishing Record Cumulative, 1876-1949* R.R. Bowker Company. Department of Bibliography, 1980 Catalogue of the Technical Reference Library of Works on Printing and the Allied Arts St. Bride Foundation Institute. Technical Reference Library, 1919 **Pure and Applied Science Books, 1876-1982**, 1982 Over 220 000 entries representing some 56 000 Library of Congress subject headings Covers all disciplines of science and technology e g engineering agriculture and domestic arts Also contains at least 5000 titles published before 1876 Has many applications in libraries information centers and other organizations concerned with scientific and technological literature Subject index contains main listing of entries Each entry gives cataloging as prepared by the Library of Congress Author title indexes Free and Low Cost Visual Aids from Industry of Use to Instructors in Machine Shop Practice Ohio. Division of Vocational Education. Trade and Industrial Education Service, 1951
Practice Under the Federal Sentencing Guidelines, 6th Edition Debold, *Chemical Engineering Progress*, 2000
Publishers' circular and booksellers' record, 1878 **Iconoclastic Departures** Mary Wollstonecraft Shelley, 1997
Iconoclastic Departures contributes to the ongoing reevaluation of Mary Shelley as a professional author in her own right with a lifelong commitment to the development of her craft Many of its essays acknowledge the importance of her family to her work the steady theme of much earlier scholarship but for them the family has become an imperative socio psychological context within which to better understand her innovations in the many literary forms she worked with during her career journals letters travelogues biographies poems dramas tales and novels The book s essays also convey the conviction that even if Mary Shelley after Percy Shelley s death gradually retired from public life as his relatives wished she retained a resiliently resistant attitude toward many of the established orders of her day easily recovered by a careful look beyond her feelings to the productions of her literary imagination The Mary Shelley who inhabits this three part collection of portraits is a radical even if a quiet radical Part 1 focuses on various moments in her construction of her authorial identity parts 2 and 3 anatomize the nature of her resistance and her innovation She is presented as a writer who reappropriates authority for herself who redesigns genres who redefines gender who rewrites history and biography who revises her readers aesthetic expectations and who protests cultural imperialism at home and abroad It seems significant to the contributors to this volume that this new radical Mary Shelley was not invented by a pointed call for papers but emerged spontaneously from an open invitation to scholars working in various corners of the English speaking world
