Psychoneurology 2 Norman B. Levy,2013-11-11 *Adherence to Treatment in Medical Conditions* Lynn Myers,2020-07-24 Poor adherence or compliance to treatment has major medical psychological and economic consequences This monographs provides comprehensive coverage of issues and research in the area of adherence and treatment in medical conditions It covers all aspects within this field and includes chapters on the role of doctor patient communications memory adherence in specific groups such as children and the elderly adherence to different treatments such as diet and exercise and reviews of adherence in specific conditions such as diabetes and asthma **Effective Patient Education** Donna Falvo,2011 Written by a nursing expert and former Chair of patient education for the Society of Teachers of Family Medicine *Effective Patient Education A Guide to Increased Adherence Fourth Edition* gives clinicians the tools they need to become effective patient educators Using a patient centered approach this essential text provides specific strategies for communicating in a way that motivates patients to take action Crucial to this approach is an understanding of the patient as a partner in the patient education process The text uncovers patient concerns and challenges that may interfere with patient adherence to recommendations enabling clinicians to gain insight into their patients and devise communication strategies that can empower patients to overcome obstacles In addition this completely revised and updated edition explores the challenges that clinicians may face in conducting patient education Using case examples to illustrate key points this text moves beyond theory to offer practical application principles for the real world Featuring a clinical approach in examining established patient education theories *Effective Patient Education A Guide to Increased Adherence Fourth Edition* is an invaluable guide for nursing students and professionals *Rehabilitation Studies Handbook* Barbara A. Wilson,D. L. McLellan,1997-01-28 A valuable resource for all those involved in the care and rehabilitation of people with disability Integrates the concepts and principles of rehabilitation with good clinical practice **Handbook of Health Behavior Research II** David S. Gochman,2013-11-11 Volume 2 discusses the relationship between patient and caregiver in terms of structural and interactional determinants The impact of provider characteristics on compliance and adherence is given especially noteworthy treatment Each volume features extensive supplementary and integrative material prepared by the editor the detailed index to the entire four volume set and a glossary of health behavior terminology **Handbook of Psychology and Health, Volume IV** Shelley E. Taylor,Jerome E. Singer,Andrew Baum,2020-09-10 Originally published in 1984 the study of psychological aspects of health was a rapidly expanding enterprise Most of the contributors to this volume were trained as social psychologists or by social psychologists Some have been more applied in their focus or on the edge of several fields All

however share a common approach focusing on the individual as he or she is buffeted about by social forces and copes with these forces All consider situational and psychological factors in the determination of behavior emotion or cognition and all apply their expertise to the study of health related issues The grouping of the chapters in this volume by the authors subspecialty social psychology is a somewhat unconventional method of clustering Ordinarily the materials presented here would be published in journals or texts concerned with behavior or psychosocial in health and medicine or in specialty publications dealing with a particular disease or health issue That clustering of articles is functional in providing information to those most likely to utilize it but it diffuses the origin and background of the studies These chapters speak to the diversity of health issues that are amenable to successful social psychological analysis *Communication Yearbook 7* Robert Bostrom,2012-05-23 The Communication Yearbook annuals publish diverse state of the discipline literature reviews that advance knowledge and understanding of communication systems processes and impacts across the discipline Sponsored by the International Communication Association each volume provides a forum for the exchange of interdisciplinary and internationally diverse scholarship relating to communication in its many forms This volume re issues the yearbook from 1983
