Ex-Girlfriends LeRoy Charles Brown, 2013-01-31 Ex Girlfriends although not the first book written by LeRoy is a labor of love for him It holds a special place in his heart and tells a story that may seem so familiar to so many It tells the story of a boy who became a man but could never stop playing boyish games until the games became reality and that reality became his life What would you do if every woman you ever dated began to die one at a time Even worse the one thing they all have in common is that they all dated you When his relationships end they are really over

The Women Hilton Als, 1998-01-31 Daring and fiercely original THE WOMEN is at once a memoir a psychological study a sociopolitical manifesto and an incisive adventure in literary criticism It presents a series of portraits that analyzes the role that sexual and racial identity play in the lives and work of a series of subjects chosen by the author Among these subjects are his own mother and the mother of Malcolm X
