New Interior Design Collidoscope:

New Interior Design Nigel Coates, 2004-12-14 The book is designed to give a stimulating idea of the current direction of international interior design by Nigel Coates one of the foremost practitioners in the field The author has selected approximately 30 international designers whose work he thinks is especially interesting The book will then present a selection of work by these designers in such a way that the relations between different designers both the differences and similarities are brought out as well as broader themes in current interior design While each project selected will be featured over a series of pages the same project may crop up at various other points through book The purpose of this is to draw comparisons between each project by letting them cross over into one another's territory Hence Collidoscope the provisional title of the publication As such it should work both as a sourcebook with reference to current tendencies in design and to the ideas that underpin them It will foreground the designers yet raise challenging differences and overlaps between them

But she doesn't Not anywhere Jed Curry a producer of hit reality TV shows likes that Annie's different Different sells Which is why he wants her on Everyday Heroes But Annie has no interest in the show Or the man Then threatening e-mails kick off events that send Annie and Kodi and the irritating Jed Curry straight into the path of danger Joined in a race against time and a cunning adversary Annie and Jed struggle to work together Because if they don't it could cost them and a lost little girl in the Oregon wilderness everything READER'S GUIDE INCLUDED Story Behind the Book After my mother died I realized that the way I lived my life was essentially her legacy This book grew from that realization Annot Light known as Annie has always felt like the odd man out For all her success Annie still doesn't feel like she really belongs To give the story realism I drew on my own experience as a member of the Jackson County Search and Rescue organization on a friend who has Annie's condition of synesthesia and on my own struggles to find my place in life and to understand God's calling and purpose for the gifts He's given me Karen Ball
