The Inner Story of the New International Version Murray J. Harris, 2023-09-28 What strange event was it in 1955 in Portland Oregon that prompted the creation of a translation of the Bible into modern English that eclipsed the well known and much loved King James Version KJV as the most widely read copy of the Bible And what was the unique process involving more than a hundred scholars from a wide variety of Christian denominations that led to the publishing of the New International Version in 1978 that has now sold over five hundred million copies In this book you will find the fascinating testimony of one of the original NIV translators that affords an insight into the toils and triumphs of those scholars It will give you a fresh appreciation of the estimated two hundred thousand man hours that went into the production of this influential version of Holy Scripture

[The Evangelical Parallel New Testament](#) John R. Kohlenberger (III), 2003 The Evangelical Parallel New Testament features the New Testaments of eight translations that are used by various segments within the American evangelical community today It includes the

recently published English Standard Version Holman Christian Standard Version The Message the New Living Translation and Today's New International Version The EPNT shows the translation philosophies and word choices made by diverse groups of evangelical scholars in the last three decades of the Twentieth Century *An Introduction to the New Testament, Second Edition* Charles B. Puskas, C. Michael Robbins, 2011-06-16 Studying the New Testament requires a determination to encounter this collection of writings on its own terms This classic introduction by Charles B Puskas revised with C Michael Robbins provides helpful guidance Since the publication of the first edition which was in print for twenty years a host of new and diverse cultural historical social scientific socio rhetorical narrative textual and contextual studies has been examined Attentive also to the positive reviews of the first edition the authors retain the original tripartite arrangement on 1 the world of the New Testament 2 interpreting the New Testament and 3 Jesus and early Christianity This volume supplies readers with pertinent primary and secondary material The new edition carries on a genuine effort to be nonsectarian and although it is more of a critical introduction than a general survey it is recommended to midlevel college and seminary students and to anyone who wants to be better informed about the New Testament *The New Testament in Antiquity, 2nd Edition* Gary M. Burge, Gene L. Green, 2020-04-14 This completely revised and updated second edition of *The New Testament in Antiquity* skillfully develops how Jewish Hellenistic and Roman cultures formed the essential environment in which the New Testament authors wrote their books and letters Understanding of the land history and culture of the ancient world brings remarkable new insights into how we read the New Testament itself Throughout the book numerous features provide windows into the first century world Nearly 500 full color photos charts maps and drawings have been carefully selected Additional features include sidebars that integrate the book's material with issues of interpretation discussion questions and bibliographies

Biblical Theology of the New Testament Peter Stuhlmacher, 2018-08-16 First English edition of an iconic work of German scholarship Since its original publication in German Peter Stuhlmacher's two volume *Biblische Theologie des Neuen Testaments* has influenced an entire generation of biblical scholars and theologians Now Daniel Bailey's expert translation makes this important work of New Testament theology available in English for the first time Following an extended discussion of the task of writing a New Testament theology Stuhlmacher explores the development of the Christian message across the pages of the Gospels the writings of Paul and the other canonical books of the New Testament The second part of the book examines the biblical canon and its historical significance A concluding essay by Bailey applies Stuhlmacher's approach to specific texts in Romans and 4 Maccabees *The Gospel of Matthew* R.T. France, 2007-07-11 The English translation at the beginning of each section is France's own designed to provide the basis for the commentary This adept translation uses contemporary idioms and where necessary gives priority to clarity over literary elegance **BOOK JACKET**

Can We Still Believe the Bible? Craig L. Blomberg, 2014-04-01 Challenges to the reliability of Scripture are perennial and have frequently been addressed However some of these challenges are noticeably more common today and the topic is

currently of particular interest among evangelicals In this volume highly regarded biblical scholar Craig Blomberg offers an accessible and nuanced argument for the Bible's reliability in response to the extreme views about Scripture and its authority articulated by both sides of the debate He believes that a careful analysis of the relevant evidence shows we have reason to be more confident in the Bible than ever before As he traces his own academic and spiritual journey Blomberg sketches out the case for confidence in the Bible in spite of various challenges to the trustworthiness of Scripture offering a positive informed and defensible approach The People's New Testament Commentary M. Eugene Boring, Fred B.

Craddock, 2010-01-25 M Eugene Boring and Fred B Craddock present this new one volume commentary on the New Testament Writing from the fundamental conviction that the New Testament is the people's book Boring and Craddock examine the theological themes and messages of Scripture that speak to the life of discipleship Their work clarifies matters of history culture geography literature and translation enabling people to listen more carefully to the text This unique commentary is the perfect resource for clergy and church school teachers who seek a reference tool midway between a study Bible and a multivolume commentary on the Bible Commentary on the New Testament Use of the Old Testament G. K. Beale, D. A. Carson, 2007-11-01 Christianity Today 2008 Award of Merit Biblical Studies Readers of the New Testament often encounter quotes or allusions to Old Testament stories and prophecies that are unfamiliar or obscure In order to fully understand the teachings of Jesus and his followers it is important to understand the large body of Scripture that preceded and informed their thinking Leading evangelical scholars G K Beale and D A Carson have brought together a distinguished team to provide readers with a comprehensive commentary on Old Testament quotations allusions and echoes that appear from Matthew through Revelation College and seminary students pastors scholars and interested lay readers will want to add this unique commentary to their reference libraries
