The Non-Violent Cross James W. Douglass, 2006-04-01 One of the ten best religious books of 1968 a fascinating proposal of revolutionary action through non violence from the Judeo Christian faith and the experiments in truth of Gandhi New Book Review The Non Violent Cross was a crucial text to push me into becoming a pacifist It remains as relevant today as it was when first published in 1966 Douglass was in conversation not only with Catholic perspectives but also John Howard Yoder Indeed he was among the first to show us how the most orthodox Christian claims committed the church to the practice of non violence We are in Wipf Stock's debt for bringing the book back into print Stanley Hauerwas Duke University It will be Jim's reflections on nonviolence and just war theory for which he will be remembered best And it is here that his language stretches bends and breaks under the strain of the inexplicable For he is not just settling arguments He is trying to convey the meaning of the kingdom of Reality which will be the final victory of Truth in history If that kingdom is ever to come it will be people like Jim who blazed the way Walter Wink Not only is this book the most thoroughgoing treatment to date of non violence but in its analyses of the current scene it is also a tract for the times The Christian Century

MAIDEN'S MANIFESTO: The Feminine Flame Eureka Circe, 2025-09-11 The Maiden's Manifesto The Feminine Flame is not a new women's hammer or even a witch hammer but rather a passing on and unfolding of agency and identity Eight dimensions form a mission statement with which women pass the flame to one another The book brings together over 30 literary portraits of women who take their place on the Holy Chair in Rome Female Popes of Theology who speak lead teach bless and reform in the indicative of their responsibility It shows the biographical experiences skills and role models that women bring to the Church in liturgy leadership teaching and passion for the world What topics do women bring to the Catholic Church It is about the biological theological interpretation of the virgin birth about Noli Me Tangere the don't touch me attitude in celibacy why the hybridity of a cyborg suits the Catholic Church well what the theological guiding principle of Pincipium Integrale means and how patriarchy can be drowned every day It is proven that there are more than three biological genders and what that means for today's theology And why Eve has a primal grace that allows us to rewrite the history of the Catholic Church We learn why education for women is so important in the Catholic Church and that a decent life also includes political action against child hunger What does the doctrine say about right wing radicalism when we ask where charity remains Must theology be understood as political resistance at all This hybrid literary work shows how richly the Vatican draws on spiritually strong intellectually qualified women to make the Roman leadership and Curia culture more feminine younger and more diverse Fundamentum femineitatis The foundation of theology is femininity in faith This women's manifesto allows us to see what happens when we pass on the flame of fire and no longer let go *Pacem in Terris* Frederick Franck, 1970

The Silent Schism Brother Louis DeThomasis, 2016-03-24 Pope Francis has called upon Catholics to use what he calls the grammar of simplicity when talking with one another and with others outside the church In this groundbreaking work Brother Louis De Thomasis and Sr Cynthia Nienhaus use the grammar of simplicity to describe the current schism happening in the Catholic Church worldwide and offer solutions for how to heal it Using the grammar of simplicity found in The Message Catholic Ecumenical Edition they demonstrate that Jesus was always less worried about doctrine dogmas and dictums and more interested in the radical law of love They call on both traditionalists and progressives in the church to recapture the mission of Jesus to bring about the reign of God on earth as it is in heaven Who Was Who in America; With Notables 1942-2006 Marquis Who's Who, 2006
