

To Kill A Mockingbird-For Harper Lee

**There was a mockingbird
Or catbird as we call it in the South
Lying on my patio**

**It must have flown into my
Pool cage through a hole
And broke its neck in a panic to
Escape I surmised**

**My dog saw it first and she
Was poking it with her paw
As if it would get up and fly away
If she did it long enough**

**But it didn't get up
It was dead but the body
Was still warm**

**I picked it up and I couldn't
Find any signs of how it died
It broke my heart to look
At its soft gray and white body
Black legs, black beak and
Black holes for eyes**

**Something happened that day
That had no explanation
But something was lost-**

**The life of a bird
It's beautiful singing that
As legend has it was learned
By hearing Eve sing**

**A time when we were pure
Free and innocent
Before the darkness fell
And we lost our way
As Scout Finch did**

**Maybe a Boo Radley
Will show up just in time
And save us from being
Destroyed by it**

Maybe not

Demlow, 2021-05-13 Growing Up Country A Demlow Family History By Carl Demlow Growing Up Country A Demlow Family History is the result of fifteen years of research travel to several states and many hours of writing and rewriting It began with the simple goal of providing our children and grandchildren with a short history of the Demlow family and specifically the author's experiences on the family farm in the 1950s But it didn't end there the book took on a life of its own as it grew to include the Moeller Ganun and Roekle families as well as historical tidbits from the 1880s to the present **Robert Morgan** Robert M. Whitman's & Dickinson's Contemporaries Robert A. Bain,1996 Emily Dickinson and Walt Whitman were not the poetic stars of their day only a few friends knew that Dickinson wrote and Whitman s following was minuscule if influential But the contemporaries who eclipsed these major poets now have largely disappeared from our literary landscape In this distinctive anthology Robert Bain gathers together thirteen other scholars to re present the poetry of these former luminaries allowing readers to rediscover them reconstruct the poetic contexts of their age and better understand why Whitman and Dickinson now overshadow other poets of their time Arranged chronologically according to the birth dates of the poets this anthology introduces each poet s work providing biographical information and discussing the major forms and themes of the work Each introduction places the poet in a literary and historical context with Whitman and Dickinson and provides a bibliography of secondary sources This remarkable book recovers a part of our literary heritage that has been lost **The Columbia Granger's Index to Poetry in Anthologies** ,2001
