Antiques Roadshow Collectibles Carol Prisant,2003-01-01 Offers tips on identifying collecting and caring for furniture photographs posters and illustration art costume jewelry and wristwatches dolls toys advertising and sports memorabilia and glass and pottery **Cartoonists, Works, and Characters in the United States through 2005** John Lent,2006-04-30

This penultimate work in John Lent s series of bibliographies on comic art gathers together an astounding array of citations on American cartoonists and their work Author John Lent has used all manner of methods to gather the citations searching library and online databases contacting scholars and other professionals attending conferences and festivals and scanning hundreds of periodicals He has gone to great length to categorize the citations in an easy to use scholarly fashion and in the process has helped to establish the field of comic art as an important part of social science and humanities research The ten volumes in this series covering all regions of the world constitute the largest printed bibliography of comic art in the world and serve as the beacon guiding the burgeoning fields of animation comics and cartooning They are the definitive works on comic art research and are exhaustive in their inclusiveness covering all types of publications academic trade popular fan etc from all over the world Also included in these books are citations to systematically researched academic exercises as well as more ephemeral sources such as fanzines press articles and fugitive materials conference papers unpublished documents etc attesting to Lent s belief that all pieces of information are vital in a new field of study such as comic art *Popeye* Fred M. Grandinetti,2004-08-12 It s a rare comic character who can make audiences laugh for well over half a century but then again it s a pretty rare cartoon hero who can boast of forearms thicker than his waist who can down a can of spinach in a single gulp or who generally faces the world with one eye squinted completely shut When E C Segar s gruff but lovable sailor man first tooted his pipe to the public on January 7 1929 it was not in the animated cartoon format for which he is best known today and which would become the longest running series in film history Instead it was on the comics page of the New York Journal as Segar s Thimble Theatre strip Over the decades to come Popeye was to appear on radio television stage and even in a live action feature film This comprehensive and lavishly illustrated history is a thoroughly updated and revised edition of the highly acclaimed 1994 work Animated series and films are examined noting the different directions each studio took and the changing character designs of the Popeye family Popeye in other media comics books radio and a stage play is thoroughly covered as are Robert Altman s 1980 live action film and Popeye memorabilia **Schroeder's Collectible Toys** Bob Schroeder,Sharon Huxford,Bob Huxford,1997-09 This large format book contains values for more than 24 000 toys in every category imaginable action figures cast iron and paper lithographed toys windups Barbie dolls model kits diecast banks
