identify as Christians but many today are ashamed to carry the label While many Christians are bemoaning their faith's decline Gabe Lyons is optimistic that Christianity's best days are yet to come In the wake of the stunning research from his bestselling book *unChristian* which revealed the growing disenchantment among young generations for Christians Lyons has witnessed the beginnings of a new iteration of the faith Marked by Lyons brutal honesty and unvarying generosity Lyons exposes a whole movement of Christians Evangelicals Mainline Protestants Orthodox Pentecostals and others who desire to be a force for restoration even as they proclaim the Christian Gospel They want the label Christian to mean something good intelligent authentic and beautiful The next generation of Christians Lyons argues embodies six revolutionary characteristics When Christians incorporate these characteristics throughout the fabric of their lives a fresh yet orthodox way of being Christian springs forth The death of yesterday becomes the birth of a great tomorrow The end of an era becomes a beautiful new beginning In this way the end of Christian America becomes good news for Christians In *THE NEXT CHRISTIANS* Lyons disarms readers by speaking as a candid observer rather than cultural crusader Where other people shout Lyons speaks in a measured tone offering helpful analysis of our current reality while casting a vision for how to be a Christian in a world disenchanted with the faith Both a celebration and a reckoning *THE NEXT CHRISTIANS* combines current day models and relevant research with stories of a new generation of Christian leaders If you are worried by what you see transpiring around you this book will take you on a surprising social exploration in hopes that you too will restore confidence in your faith **10**

Bible Says About Sex asserts that modern perspectives on sexuality and gender should be separated from the more constraining historical views of traditional biblical interpretation What does the Bible say about sexuality How have traditions of biblical interpretation influenced our understanding of sex and gender What the Bible Says About Sex answers that and many other questions Not shy it analyzes why the Church claimed dominion over marriage while the female body remained a source of potential evil It wrestles with how sexuality is used not only in the past but also in the present to reinforce notions of honor and how it can be used to manipulate others Deftly it handles a discussion of semen as both profane and the seed of life It looks brazenly at the pornographic and the erotic passages of the Bible and how traditions of interpretation veiled them With the Bible frequently invoked to support arguments in the present age over the moral limits of sexuality and gender having a greater awareness of what the Bible says about sex and how it is and has been interpreted is critical now more than ever What the Bible Says About Sex is suitable for students scholars and the general reader with an interest in sexuality and the Bible and sex and desire in both ancient and modern Christianity [The Final Bible of Christian Satanism](#) Lucifer Jeremy White,2017-07-28 Here is a Bible that s somewhere deep between good and evil The two sides created this religion Christian Satanists are brought forth from it for the first time This Bible was the first of its kind and issues a heavy solid structure for the new thing a Christian Satanist who now has grey sheep guidance Where the Holy Bible cannot and the Satanic Bible cannot The Christian Satanic Bible can Christian Satanists are ambidextrous and free To the Christian heaven For the Satanist hell And for the Christian Satanist here **NIV, Voices of Faith Devotional Bible** Zondervan,2012-05-29 The NIV Voices of Faith Devotional Bible combines Scriptural insights from both the past and present to reveal God s truth for your life today Writers such as C S Lewis and Eugene Peterson Oswald Chambers and Joni Eareckson Tada St Augustine and Brennan Manning Thomas Kempis and Dallas Willard voices from yesterday and voices from today join together to address a topic for a timeless and relevant devotional experience every day [New Views on Pornography](#) Lynn Comella,Shira Tarrant Ph.D.,2015-02-17 This book presents thought provoking research and data about pornography that will prompt readers to reconsider their positions on a highly controversial and current issue Why do people use pornography Is porn addiction a fact or myth What is revenge porn and is it illegal Can pornography be more diverse This interdisciplinary collection presents well researched facts and up to date data that encourage informed discussion about controversial and relevant issues in contemporary society Chapters address topics such as the history and cultural trends of pornography labor and production practices in creating porn the effects of technology current issues in obscenity law and myths and facts about the effects of pornography New Views on Pornography Sexuality Politics and the Law challenges assumptions about this popular yet controversial industry Contributors include top scholars from media studies sociology psychology gender studies criminology politics and the law This book provides a comprehensive overview of pornography that will help students educators and general readers deepen their understanding of this provocative subject **Bible Crusade** Steve
