Differences That Matter Dan Zuberi, 2018-07-05 This book shines a spotlight on the causes and consequences of working poverty revealing how the lives of low wage workers are affected by differences in health care labor and social welfare policy in the United States and Canada Dan Zuberi s conclusions are based on survey data eighteen months of participant observation fieldwork and in depth interviews with seventy seven hotel employees working in parallel jobs on both sides of the border Two hotel chains each with one union and one non union hotel in Seattle and Vancouver provide a vivid crossnational comparison because they are similar in so many regards the one major exception being government policy Zuberi demonstrates how labor health social welfare and public investment policy affect these hotel workers and their

families His book challenges the myth that globalization necessarily means hospitality jobs must be insecure and pay poverty wages and makes clear the critical role played by government policy in the reduction of poverty and creation of economic equality Zuberi shows exactly where and how the social policies that distinguish the Canadian welfare state from the U S version make a difference in protecting Canadian workers from the hardships that burden low wage workers in the United States Differences That Matter which is filled with first person accounts ends with policy recommendations and a call for grassroots community organizing Chasing the Scream Johann Hari,2015-01-20 The New York Times Bestseller The Book Behind the Viral TED Talk For the first time the startling full story of the disastrous war on drugs propelled by moving human stories revolutionary insight into addiction and fearless international reporting What if everything you think you know about addiction is wrong One of Johann Hari s earliest memories is of trying to wake up one of his relatives and not be able to As he grew older he realized he had addiction in his family Confused unable to know what to do he set out on a three year 30 000 mile journey to discover what really causes addiction and what really solves it He uncovered a range of remarkable human stories of how the war on drugs began with Billie Holiday the great jazz singer being stalked and killed by a racist policeman of the scientist who discovered the surprising key to addiction and of the countries that ended their war on drugs with extraordinary results His discoveries led him to give a TED talk and animation which have now been viewed more than 25 million times This is the story of a life changing journey that showed the world the opposite of addiction is connection

The War Within Robert Daniels,2005 Who is the Faithful and Discreet Slave If you are a Jehovah s Witness no doubt you have a deep love for the truth Chances are you would also agree that no matter how much Bible reading we have done we would never have learned the truth on our own The Watchtower December 1 1990 p 19 Most of what you know about Jehovah God and his Word you learned from the faithful and discreet slave class This is why you go door to door to share what you have learned with others But isn t it possible that some of the Watchtower Society s teachings could be wrong After all they ve been wrong in the past Wasn t C T Russell wrong when he expected to be taken to heaven in 1914 Wasn t J F Rutherford wrong when he predicted that men like Moses and David would soon be resurrected and live in the Watchtower s mansion in San Diego And isn t it possible that N H Knorr and F W Franz were wrong in saying that the generation of 1914 would live to see the end of this wicked system of things If God s organization was wrong about these things shouldn t we consider the possibility that they are still wrong about other more important doctrines as well Why is it then that most Witnesses will never question the Society s teachings even when they teach commands of men as doctrines Matthew 15 9 What gives them this kind of authority As you know their claim to authority rests entirely on their interpretation of Jesus parable of the faithful and discreet slave Who really is the faithful and discreet slave whom his master appointed over his domestics to give them their food at the proper time Happy is that slave if his master on arriving finds him doing so Truly I say to you He will appoint him over all his belongings Matthew 24 45 47 They believe this text makes them God s channel for

providing spiritual food to his people In 1919 that slave was identified as the remnant of anointed Christians Since then as represented by the Governing Body of Jehovah's Witnesses it has been the center of theocracy on earth The Watchtower January 15 1994 p 16 Since so much rests on this passage it is only right that we examine just what Jesus meant in this parable The Society insists that Jesus was speaking not of individuals but of a group of people who are members of an organization The problem is in Luke's account Jesus specifically applies the parable to individuals Indeed everyone to whom much was given much will be demanded of him and the one whom people put in charge of much they will demand more than usual of him Luke 12 48 The parable has to do with Christian stewardship In fact it follows the same pattern as the parable of the talents Matthew 25 14 30 or minas Luke 19 12 27 A master departs leaving work for his slaves When he returns he evaluates their faithfulness and rewards or punishes them accordingly It's interesting that the Society applies these parables to individuals while applying the faithful and discreet slave parable Matthew 24 45 51 to an organization Their interpretation is inconsistent This teaching on the faithful stewardship of individuals is reflected elsewhere in Scripture In proportion as each one has received a gift use it in ministering to one another as fine stewards of God's undeserved kindness expressed in various ways 1 Peter 4 10 Let a man so appraise us as being subordinates of Christ and stewards of sacred secrets of God Besides in this case what is looked for in stewards is for a man to be found faithful 1 Corinthians 4 1 2 Can you say that Jesus is your Master If so think about what it says of your stewardship when you accept the Watchtower's teachings without question knowing that the Bible never approves of such a practice Have you noticed that the Society often encourages others to examine their religion but discourages you from doing the same How ironic that the Society's first president C T Russell wrote If any one knows anything better let him take it If any of you ever find anything better we hope you will tell us The Watchtower December 1 1990 p 19 We think we have something better We encourage you to compare the teachings of the Watchtower Society with those of solid evangelical Christians Otherwise how will you know you've really been feeding on the best spiritual food As a suggestion start by reading a book like Systematic Theology by Wayne Grudem which examines the biblical basis for the different views of all the major doctrines We pray that Jehovah will guide you as you seek to be a faithful slave of our Lord Jesus Christ
