A History of Rest Alain Corbin, 2024-06-12 Rest occupies a space outside of sleep and alertness it is a form of recuperation but also of preparation for what is to come and is a need felt by human and animal alike Through the centuries different and conflicting definitions and forms of rest have blossomed ranging from heavenly repose to what is prescribed for the modern affliction of burn out What has remained constant is its importance long the subject of art and literature everyone understands the need not to disturb the aimless languishing daydreaming Lotus eater Not viewed simply as an antidote for fatigue for a long time rest was seen as the prelude to eternal life until everything changed in the nineteenth century and society entered the great age of rest At this point the renowned French historian Alain Corbin explains rest took on new therapeutic and leisurely qualities embodied by the new types of human that emerged The modern epicurean frolicked on

beaches and soaked up the rays while melancholics were rejuvenated in pristine sanatoria the new temples of rest Paid holidays and a widespread acceptance of the need to build up the strength sapped during work followed while the 1950s became the decade of sea sex and sun This new book as original as Corbin s other histories of neglected aspects of human life pans the long evolution of rest in a highly readable and engaging style **The Rest is History Returns** Goalhanger Podcasts,2024-09-19 [The Rest is History](#) Goalhanger Podcasts,Tom Holland,Dominic Sandbrook,2023-10-26 Make room Herodotus stand down Bede pipe down Pepys there s a new history book in town From the chart topping podcast The Rest is History a whistle stop tour through the past from Alexander the Great to Tolkien the Wars of the Roses to Watergate The nation s favourite historians Tom Holland and Dominic Sandbrook take on the most curious moments in history answering the questions we didn t even think to ask Did the Trojan War actually happen What was the most disastrous party in history Was Richard Nixon more like Caligula or Claudius How did a hair appointment almost blow Churchill s cover Why did the Nazis believe they were descended from Atlantis Whether it is sending historical figures to Casa Amor in a series of Love Island ranking history s most famous eunuchs and pigeons including Winkie the unsung hero of the Second World War or debating the meaning of greatness there is nothing too big or too small for Tom and Dominic to unpick So run your Egyptian milk bath strap up your best Spartan sandals and prepare for a journey down the highways and byways of the human past

served to distinguish the Ismailis from the rest often branding the Fatimids with the charge of heterodoxy Others deal with the consequence of Shiite rule over a largely non Shiite populace Yet others involve the relationship between religious ideology and the administration of government Among the themes featured in this collection there are separate investigations of institutions of learning of succession to the imamate the da wa the judiciary relations with the Byzantines and with the Abbasids and works on heresiography doctrines of time and the accusation that the Ismailis upheld the metempsychosis of the human soul The latter topics help to situate the Ismailis and hence the Fatimids within the broader context of Islamic thought *The Jesus of History* Terrot Reaveley Glover, 1923
