Inventing Custer Edward Caudill, Paul Ashdown, 2015-09-03 Custer's Last Stand remains one of the most iconic events in American history and culture. Had Custer prevailed at the Little Bighorn the victory would have been noteworthy at the moment worthy of a few newspaper headlines. In defeat however tactically inconsequential in the larger conflict Custer became legend. In *Inventing Custer: The Making of an American Legend* Edward Caudill and Paul Ashdown bridge the gap between the Custer who lived and the one we've immortalized and mythologized into legend. While too many books about Custer treat the Civil War period only as a prelude to the Little Bighorn Caudill and Ashdown present him as a product of the Civil War Reconstruction Era and the Plains Indian Wars. They explain how Custer became mythic shaped by the press and changing sentiments toward American Indians and show the many ways the myth has evolved and will continue to evolve as the United States continues to change.

One of Custer's Wolverines James Harvey Kidd, 2000 Primarily known for his postwar exploits most famously for his 1876 defeat at Little Big Horn George Armstrong Custer led a formidable cavalry that became known as Custer's Wolverines. This volume presents the Civil War letters of one of those Wolverines James H. Kidd.

Civil War Cavalry Earl J. Hess, 2025-08-13 The Civil War produced the largest cavalry force ever raised in American history. In *Civil War Cavalry* Earl J. Hess examines that force comprehensively and from new perspectives challenging standard views of the war's mounted arm. Hess surveys the organization training administration arming and mounting of cavalry units and examines mounted troops tactical formations and maneuvers. He addresses the nature of cavalry operations discussing the mounted charge dismounted fighting long distance raids the varied types of weapons used by troopers and the difficulty of supplying horses. Hess also brings concepts from the burgeoning field of animal history to argue that cavalry mounts exercised a degree of agency in shaping their role in the large military machine. *Civil War Cavalry* is a sweeping and innovative history establishing a new criterion for understanding how Americans waged mounted warfare in the mid nineteenth century.

Last in Their Class James S. Robbins, 2006 Today's Goat the West Point cadet finishing at the bottom of his class is temporary celebrity among his classmates. But in the 19th century he was something of a cult figure. Custer's contemporaries at the Academy believed that the same spirit of adventure that led him to carouse at local taverns motivated his dramatic cavalry attacks in the Civil War and afterwards. And the same willingness to accept punishment from Academy authorities also sent George Pickett into the teeth of the Union guns at Gettysburg. The story James S. Robbins tells goes from the beginnings of West Point through the carnage of the Civil War to the grassy bluffs over the Little Big Horn. The Goats he profiles tell us much about the soul of the American soldier his daring imagination and desire to prove himself against high odds.

Military Bibliography of the Civil War: Regimental publications and personal narratives. Union and Confederate biographies. General references. Armed forces. Campaigns and battles, 2003 Volume IV Compiled and revised by Silas Felton 1063 pp revised with books missed in vols I II and III regimental publications personal narratives biographies campaigns and battles Northern

and Southern Felton's new compilation is without peer. He covers the subject from five different perspectives: Regimental Publications and Personal Narratives, Union and Confederate Biographies, General References, Armed Forces and Campaigns and Battles. And making the work extremely useful, the last 236 pages contain a complete Index of Authors of Volumes I through IV as well as a new Index of Titles in the Revised Volume IV. Furthermore, to clear up confusion created by the multiple names often used by Confederate units during the war, artillery batteries in particular, which carried a state designation but were commonly known by the battery commander's name, Felton has cited a written work with a single number designation but indexed and listed it under its common appellation to aid the researcher and eliminate confusion.

Custer at Gettysburg Phillip Thomas Tucker, 2023-06-14. A mosaic of thousands of tiny pieces that seen whole amounts to a fascinating picture of what probably was the most important moment of the Civil War. Thomas E. Ricks, New York Times bestselling author of *The Generals*, George Armstrong Custer is famous for his fatal defeat at the Little Bighorn in 1876, but Custer's baptism of fire came during the Civil War. His true rise to prominence began at Gettysburg in 1863. On the eve of the Battle of Gettysburg, Custer received promotion to brigadier general and command his first direct field command of the Michigan Cavalry Brigade, the Wolverines. Custer did not disappoint his superiors who promoted him in a search for more aggressive cavalry officers. At approximately noon on July 3, 1863, the melee that was East Cavalry Field at Gettysburg began. An hour or two into the battle, after many of his cavalymen had been reduced to hand-to-hand infantry style fighting, Custer ordered a charge of one of his regiments and led it into action himself, screaming one of the battle's most famous lines: "Come on you Wolverines!" Around three o'clock, the Confederates led by Stuart mounted a final charge which mowed down Union cavalry until it ran into Custer's Wolverines who stood firm, breaking the Confederates' last attack. In a book combining two popular subjects, Tucker recounts the story of Custer at Gettysburg with verve, shows how the Custer legend was born on the fields of the war's most famous battle, and offers eye-opening new perspectives on Gettysburg's overlooked cavalry battle. A thoughtful and challenging new look at the great assault at Gettysburg, Tucker is fresh and bold in his analysis and use of sources. William C. Davis, author of *Crucible of Command*.
