## **Rift The Sino Soviet Conflict:**

**The Rift** David C. Levine, 1968      Sino-Soviet Conflict United States. Congress. House. Committee on Foreign Affairs. Subcommittee on the Far East and the Pacific, 1965 Reviews Sino Soviet ideological and border disputes and their possible impact on U S policy and military objectives in Vietnam      **Sino-Soviet Conflict, Report ... by the Subcommittee on the Far East and the Pacific ... Together with Hearings Held March 10-31, 1965** United States. Congress. House. Foreign Affairs, 1965      **The Sino-Soviet Conflict** Leopold Labedz, George R. Urban, 1965      **Sino-Soviet Dialogue on the Problem of War** S. Yin, 2012-12-06 The author has spent upwards of ten years in working on this book His objective is to clarify the military aspect of the Moscow Peking dialogue which has not yet received its deserved treatment The apogee of that dialogue seems to have been passed toward the end of the rule of Khrushchev Yet the Vietnam war spawns fresh contention Our cover age will span the development from 1956 to the present The beginning of the dispute with regard to the origins of war in general is taken up in the first two chapters The next three chapters discuss the several types of war with the frame of reference set in what now appears to be a quondam era But the principle differences between the disputants are just as outstanding today as they were then The penultimate chapter is somewhat wide in scope in order to deal with the larger and more intensely bitter polemics evolving after Khrushchev left office There have been many new and startling views held by both sides since then views splitting them poles apart Ominously at issue now is the question of Sino Soviet peaceful coexistence Our work obviously cannot wait until that question is answered to be finished The final chapter concludes our study To write of subjects as dynamic as this one is a challenge because they are current affairs Due to the swift change of events no sooner is our typescript put to press than it needs a revision      **The Vietnam War from the Other Side** Cheng Guan Ang, 2013-07-04 Existing studies of the Vietnam War have been written mostly from an American perspective using western sources and viewing the conflict through western eyes This book based on extensive original research including Vietnamese Chinese and former Soviet sources presents a history of the war from the perspective of the Vietnamese communists It charts relations with Moscow and Beijing showing how the involvement of the two major communist powers changed over time and how the Vietnamese despite their huge dependence on the Chinese and the Soviets were most definitely in charge of their own decision making Overall it provides an important corrective to the many one sided studies of the war and presents a very interesting new perspective      **The Cambridge History of China** Roderick MacFarquhar, John King Fairbank, 1987      World Communism, 1964-1969, a Selected Bibliography United States. Congress. Senate. Committee on the Judiciary, 1971      **Japan and the Sino-Soviet Alliance, 1950-1964 C.** Braddick, 2003-12-09 Japan and the Sino Soviet Alliance 1950 1964 reveals the divisive impact of the Sino Soviet Alliance on Japanese domestic politics and foreign relations during the turbulent years between 1950 and 1964 Drawing on extensive Japanese sources and unprecedented access to previously classified government documents C W Braddick exposes the myths
