Right Principles A Conservative Philosophy Of Politics:

Right Principles Lincoln Allison,1986 **Liberalism Versus Conservatism** François B. Gérard,2000 Everyone eschews labels yet we all seem to possess them in the minds of legions of politicians marketers and even the ever peering government We are being targeted daily by flaming liberals left wing liberals right wing conservatives compassionate conservatives religious conservatives and liberals pinko liberals middle of the road liberals conservatives and liberals pinko liberals middle of the road liberals and conservatives and of course by neoconservatives and neoliberals The search is on for kindred souls the types who will open their wallets to support whatever it is the hucksters are peddling But what to these concepts mean and do their torchbearers grasp the underlying philosophies or do they care This bibliography lists over hundreds of entries under each category which are then indexed by title an author **Conservatism from the French Revolution to the 1990s** Pekka Suvanto,trans Roderick Fletcher,2016-03-07 Suvanto has studied the political and ideological conservatism of Britain the United States Germany and France with references to Scandinavian countries He also discusses the nature of traditionalism and its influence on the development of conservatism Suvanto emphasizes the pragmatism and the consistency of conservatism It has played a great part in the collapse of communism Suvanto's book was first published in Finnish in 1994 and it was chosen as the best historical book in Finland in that year *A Dictionary of Conservative and Libertarian Thought (Routledge Revivals)* Nigel Ashford,Stephen Davies,2012-06-25 First published in 1991 this is a reissue of the path breaking Dictionary of Conservative and Libertarian Thought the first book to examine the ideals and arguments produced by the intellectual traditions of both conservatism and classical liberalism Covering the ideas of many such distinguished thinkers as Hayek Scruton Friedman and Buchanan the volume provides a valuable survey of the historical development of both schools of thought in all of the major western countries and their contributions to contemporary debates From American Conservatism to French Liberalism Invisible Hand to Organic Society from Scientism to Scepticism and Utopianism to Voluntarism this is a vital work whose reissue will be welcomed as much by the keen layperson as by students of political science the history of philosophy economics and public policy **In Search of a Political Philosophy** W. J. Stankiewicz,2002-09-11 In Search of a Political Philosophy is an analysis of the three democraticisms conservatism liberalism and socialism and of the distinct nature of the all devouring ideology Marxist communism The author is concerned with the conscious and unconscious assumptions of the proponents and followers of each ideology and those of their theoreticians and critics **English Conservatism Since the Restoration** Robert Eccleshall,2002-09-11 First published in 2002 Routledge is an imprint of Taylor Francis an informa company *British Conservatism* Peter Dorey,2010-10-30 Defence of inequality has always been a core principle of the Conservative Party in Great Britain Yet the Conservatives have enjoyed great electoral success in a British society marked by widespread inequalities of wealth and income Peter Dorey here examines the intellectual and political arguments which Conservatives use to justify inequality He

also considers debates between Conservatives over how much inequality is desirable or acceptable Should inequality be unlimited in order to promote liberty incentives and rewards Or should inequality be kept within certain bounds to prevent social breakdown and political upheaval Finally he examines why some less prosperous sections of British society have nonetheless supported the Conservatives instead of political parties promoting equality This book will be an important resource for students and commentators of contemporary British politics

Reflections on Conservatism Doğanca Özsel, 2011-09-22 In comparison to other political doctrines conservatism is an understudied subject and there are few books that bring together works of scholars studying conservatism from different perspectives Reflections on Conservatism is among these few pieces and is written for those who are interested in conservative thinking and conservative movements in different countries In Reflections on Conservatism readers will find 13 articles covering a wide range of aspects on conservatism Six of these articles offer analyses of certain theoretical aspects of conservatism and focus on issues such as the definition of conservatism the theme of inequality in conservative thinking and the applicability of conservative principals to postcolonial politics Following these there are seven articles that focus on conservative movements or thinkers from different countries Here readers will find detailed discussions on the contemporary state of British and US conservatisms as well as Sarkozy's UMP There are also other articles that present the portrayal of post war cultural conservatism in Denmark Antall's conservatism in Hungary and radical conservative trends in Turkey

Leo Strauss and His Legacy John Albert Murley, 2005-01-01 With over 10 000 entries identifying work of hundreds of Strauss's students and their students students this bibliography is the most indeed the only comprehensive guide to published writing in the tradition of Leo Strauss Murley includes Strauss's own complete bibliography and that of one of his most revered students George Anastaplo

From Political Theory to Political Theology Péter Losonczi, Aakash Singh, 2010-03-18 During the last two decades we have witnessed what Jos Casanova has characterised as religion going public This has not been a trend exclusive to traditionally religious nations Rather it has been visible in as diverse environments as that of the construction of the new Russian political identity or in the post 9 11 political discourses of the USA Surprisingly important religious manifestations also influenced the political discourses in Britain and more recently in France Partly as a consequence of these phenomena an intensive debate is now evolving about the compatibility of the neutrality of liberal democracy in relation to religiously motivated opinions in public discourses and the conditions under which such religiously driven contributions could viably go public This book offers a collection of essays on Religion and Democracy which critically discusses the most important questions that characterize these debates at the points of their intersection within political theory political theology and the philosophy of religion and considers both the challenges and the prospects of this new era which following Habermas one may call post secular
