The Right to Bear Arms Stephen P. Halbrook, 2021-05-03 The U S Supreme Court has recognized the individual right to keep and bear arms but courts in states that have extreme gun control restrictions apply tests that balance the right away This book demonstrates that the right peaceably to carry firearms is a fundamental right recognized by the text of the Second Amendment and is part of our American history and tradition Halbrook s scholarly work is an exhaustive historical treatment of the fundamental individual right to carry firearms outside of the home Halbrook traces this right from its origins in England through American colonial times the American Revolution the Constitution s ratification debates and then through the antebellum and post bellum periods including the history surrounding the enactment of the Fourteenth Amendment to the U S Constitution This book is another important contribution by Halbrook to the scholarship concerning the text history and tradition of the Second Amendment s right to bear and carry arms

Freedmen, the Fourteenth Amendment, and the Right to Bear Arms, 1866-1876 Stephen P. Halbrook, 1998-11-30 Whether newly freed slaves could be trusted to own firearms was in great dispute in 1866 and the ramifications of this issue reverberate in today s gun control debate This is the only comprehensive study ever published on the intent of the framers of the Fourteenth Amendment and of Reconstruction era civil rights legislation to protect the right to keep and bear arms Indeed this is the most detailed study ever published about the intent of the Fourteenth Amendment to incorporate and to protect from state violation any of the rights guaranteed by the Bill of Rights even including free speech Paradoxically the Second Amendment is virtually the only Bill of Rights guarantee not recognized by the federal courts as protected by the Fourteenth Amendment Through legislative and historical records generated during the Reconstruction epoch 1866 1876 Halbrook shows the intent of the Fourteenth Amendment and of civil rights legislation to guarantee full and equal rights to blacks including the right to keep and bear arms
