Righteous Warriors:

The Warrior Charles J. Pettitt, 2014-12-05 The Warrior Endorsement The Warrior brought back many memories of the past in my life and some current day battles I still face As a former UFC and Pride fighter I faced many of the same ridicule and resistance from the Religious community and personal friends People would ask me daily how I could be a Christian yet get into a cage and battle The sport then still banned on Network television and the political resistance of it becoming a mainstream sport made acceptance difficult This book helps explain how God uses his followers in all areas and aspects of life not just in Church I have always thought I was used to spread the glory of Jesus and had a captive audience every time I fought It was an opportunity to spread the Love of Christ in what could be a dark place A chance to give God the glory for my victorys when the microphone was handed to me and quote a scripture verse pointing my finger at Jesus and not myself Physical Sports such as MMA are no different than going to school as a teacher Its an opportunity to give God the glory and profess your love for an awesome God The Warrior is one more way we as believers can help others have the piece that we all need I highly recommend this book to all Ron Waterman first WEC super heavyweight champion and former UFC WWE Pancrase and Pride Fighting Championship professional fighter Ron is the Author of Tapped Out by Jesus from the cage to the cross

The Code of the Warrior Daidôji Yûzan, D. Tarver, 2003-02-10 The Budo Sho Shinshu was originally written by Daidoji Yuzan as a text book on warrior ethics for young people born into the warrior caste It teaches the general tenets of bushido without going too far into any one fief s history or traditions which is one of the reasons the original text was so widely accepted The Code of the Warrior is a clear and easy to understand version of the Budo Sho Shinshu Anyone who wants to understand the Japanese frame of mind or gain insight into the warrior s soul should start with this book Although the caste system has long been abolished the principles of bushido still influence every facet of the Japanese way of thinking Today s warriors will find a wealth of information and guidance in the pages of this book

Mistlberger, 2019-09-27 The early 21st century is a complex time presenting unique challenges for men This book examines many of those challenges from dysfunctional relationships and confusion about what it means to be male in the postmodern world to understanding the dark side of the masculine psyche as well as how to apply the best qualities of warrior consciousness to experience overall success and fulfillment in life **The Torah in 1Maccabees** Francis

Borchardt, 2014-08-22 This volume addresses two pivotal questions surrounding the composition of 1Maccabees It sets out to discern the place and function of the Torah within the community described by the book However before addressing the main problem the author must first determine the composition history of the text Given that the former orthodoxy of a unitary authorship seems to be breaking down and no consensus has taken its place a literary critical investigation occupies a necessary and lengthy portion of the work Once a recommendation for the book's composition history is reached attitudes

toward the inherited Judean tradition are described in each of the strata discovered The resulting study reveals a wide variety of opinions on the Judean traditions and their function in society This contributes to the current trend in scholarship of the Hellenistic period questioning the dichotomy between Judaism and Hellenism by demonstrating the different attitudes within even one text
