## **Rightful Resistance In Rural China Cambridge Studies In Contentious Politics:**

**Rightful Resistance in Rural China** Kevin J. O'Brien, Lianjiang Li, 2006-02-13 How can the poor and weak work a political system to their advantage Drawing mainly on interviews and surveys in rural China Kevin O'Brien and Lianjiang Li show that popular action often hinges on locating and exploiting divisions within the state Otherwise powerless people use the rhetoric and commitments of the central government to try to fight misconduct by local officials open up clogged channels of participation and push back the frontiers of the permissible This rightful resistance has far reaching implications for our understanding of contentious politics As O'Brien and Li explore the origins dynamics and consequences of rightful resistance they highlight similarities between collective action in places as varied as China the former East Germany and the United States while suggesting how Chinese experiences speak to issues such as opportunities to protest claims radicalization tactical innovation and the outcomes of contention *Collective Killings in Rural China during the Cultural Revolution* Yang Su, 2011-02-21 The violence of Mao's China is well known but its extreme form is not In 1967 and 1968 during the Cultural Revolution collective killings were widespread in rural China in the form of public execution Victims included women children and the elderly This book is the first to systematically document and analyze these atrocities drawing data from local archives government documents and interviews with survivors in two southern provinces This book extracts from the Chinese case lessons that challenge the prevailing models of genocide and mass killings and contributes to the historiography of the Cultural Revolution in which scholarship has mainly focused on events in urban areas

Authoritarian Legality in China Mary E. Gallagher, 2017-09-07 Can authoritarian regimes use democratic institutions to strengthen and solidify their rule The Chinese government has legislated some of the most protective workplace laws in the world and opened up the judicial system to adjudicate workplace conflict emboldening China's workers to use these laws This book examines these patterns of legal mobilization showing which workers are likely to avail themselves of these new protections and find them effective Gallagher finds that workers with high levels of education are far more likely to claim these new rights and be satisfied with the results However many others left disappointed with the large gap between law on the books and law in reality reject the courtroom for the streets Using workers narratives surveys and case studies of protests Gallagher argues that China's half hearted attempt at rule of law construction undermines the stability of authoritarian rule New workplace rights fuel workers rising expectations but a dysfunctional legal system drives many workers to more extreme options including strikes demonstrations and violence **China's Unruly Journalists** Jonathan Hassid, 2015-12-22 Despite operating in one of the most tightly controlled media environments in the world Chinese journalists sometimes take extraordinary risks braving the perils of job loss or imprisonment to report sensitive stories As a result a group of journalists stands at the forefront of some of China's most dramatic social and political changes This book is the first to systematically explore why some Chinese journalists decide to challenge Communist Party power holders and the

censorship system Based on 18 months of fieldwork interviews with over 70 Chinese journalists and academics and analysis of nearly 20 000 Chinese newspaper articles it investigates the motivation behind news workers who often brave the perils of challenging an authoritarian system Rather than being driven by commercial pressures or financial inducements the book suggests that many aggressive journalists push the limits of acceptable coverage because of their sense of public spirit and their professional role orientation It argues that ultimately these advocate journalists matter because they challenge specific policies and are changing China one article at a time By investigating these path breaking journalists the book engages with literature across the social sciences on contentious politics and social movements political communication media theory and the sociology of professions Therefore it will be of great interest to students and scholars of Chinese Studies Politics and Media Studies

**Resistance in Digital China** Sally Xiaojin Chen, 2020-05-28 By investigating the Southern Weekly Incident in which censorship of the prominent Chinese newspaper Southern Weekly triggered mass online contention in Chinese society Resistance in Digital China examines how Chinese people engage in resistance on digital networks whilst cautiously safeguarding their life under authoritarian rule Chen s in depth analysis of the Southern Weekly Incident ties together overlapping debates in internet studies Chinese studies social movement studies political communication and cultural studies to discuss issues of civic connectivity emotions embodiment and the construction of a public sphere in digital China Resistance in Digital China demonstrates a valuable methodology for conducting in depth empirical examination of an act of resistance in order to explore political cultural and sociological meanings of Chinese people s resistance within party limits Fruitfully combining 45 interviews with key players in the Southern Weekly Incident with largely Western based communications theory Chen develops an understanding of the ongoing formation of the Chinese public sphere as elite led and emotional at once invoked and rejected by Chinese citizens

The ^ASocial Roots of Authoritarianism Natalia Forrat, 2024-10-25 In this book Natalia Forrat describes two models of authoritarianism the first in which people see the state as their team leader and the other where they trust informal non state leaders and see the state as a source of perks or punishment Forrat compares the structures of political machines in four Russian regions finding that the two maintaining unity based authoritarianism demonstrated a stable performance across multiple elections while the other two delivered less stable results Carefully crafted and sophisticated Forrat s theory of authoritarian power sheds new light on state society relations in Russia and helps explain the divergent patterns of regime maintenance strategies in authoritarian countries throughout the world

Contentious Politics in China Manfred Elfstrom, Yao Li, 2019-12-16 China has become a land of protests though the Chinese state possesses considerable administrative capacity In this volume Manfred Elfstrom and Yao Li provide an overview of Chinese contentious politics They dig deep into major forms of social conflict explore structural explanations for why protest occurs in China and describe the ways in which various organizations and framings of issues by citizens affect how protests play out Shifting to where grassroots activism ultimately leads Elfstrom and Li survey China s

coercive and conciliatory institutions for maintaining social control document and explain patterns in the state's handling of different types of resistance and examine the social and political impact of unrest This work not only contributes to a deeper understanding of contentious politics and governance in China but also provides insights for studies of social movements and authoritarian politics in general

**Politics of Economic Inequality in China** Shuai Jin, 2023-08-29 This book applies a novel theory of unbalanced responsiveness to the issue of economic inequality in China to better understand the relationship between authoritarian regimes and their citizens The book highlights how the Chinese Communist Party CCP has responded to dissatisfaction over inequality with both propaganda and policy revealing how the responsiveness in these two arenas is unbalanced Arguing that while CCP propaganda claims to reduce inequality its welfare programs have been stratified unfair and regressive aggravating instead of alleviating inequalities By utilizing data from multiple national surveys the book reveals that the discrepancy between propaganda and policy ultimately generates further dissatisfaction and strong demands for redistribution The findings of this study indicate how unmitigated and prolonged economic inequality could be a real threat to the sustained rule of the CCP regime Providing a new theory applicable to authoritarian and especially communist regimes demonstrated through the lens of China this book will be a valuable resource to students and scholars of Chinese studies political science and public policy

**Living in the Margins in Mainland China, Hong Kong and India** Wing Chung Ho, Florence Padovani, 2020-05-06 With a range of case studies from Asia this book sheds light on empirical realizations of marginality in a globalized context using first hand original research In the late 2000s the financial crisis witnessed the fragility of high levels of market integration and the vulnerability of globalisation Since then the world seems to have entered an epoch of anxiety featuring populism with varying degrees of protectionism and nationalism What is the nature of this populist mood as a backlash against globalisation How do people feel about it and act upon it Why should specific intellectual attention be paid to the increasingly marginalised by the recent macroscopic structural changes These are the questions addressed by the contributors of this book illustrated with specific cases from mainland China Hong Kong and India all of which have undergone substantial populist or nationalist movements since 2010 A valuable resource for sociologists looking to understand the impacts of globalization especially those with a particular interest in Asia

*To Get Rich Is Glorious* Jacques deLisle, Avery Goldstein, 2019-09-24 In 1978 China launched economic reforms that have resulted in one of history's most dramatic national transformations The reforms removed bureaucratic obstacles to economic growth and tapped China's immense reserves of labor and entrepreneurial talent to unleash unparalleled economic growth in the country In the four decades since China has become the world's second largest economy after the United States and a leading force in international trade and investment As the contributors to this volume show China also faces daunting challenges in sustaining growth continuing its economic transformation addressing the adverse consequences of economic success and dealing with mounting suspicion from the United States and other trade and investment partners China also confronts risks

stemming from the project to expand its influence across the globe through infrastructure investments and other projects under the Belt and Road Initiative At the same time China s current leader Xi Jinping appears determined to make his own lasting mark on the country and on China s use of its economic clout to shape the world around it

## **Rightful Resistance In Rural China Cambridge Studies In Contentious Politics Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Rightful Resistance In Rural China Cambridge Studies In Contentious Politics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rightful Resistance In Rural China Cambridge Studies In Contentious Politics has opened up a world of possibilities. Downloading Rightful Resistance In Rural China Cambridge Studies In Contentious Politics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rightful Resistance In Rural China Cambridge Studies In Contentious Politics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rightful Resistance In Rural China Cambridge Studies In Contentious Politics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rightful Resistance In Rural China Cambridge Studies In Contentious Politics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rightful Resistance In Rural China Cambridge Studies In Contentious Politics, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rightful Resistance In Rural China Cambridge Studies In

Contentious Politics has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Rightful Resistance In Rural China Cambridge Studies In Contentious Politics Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rightful Resistance In Rural China Cambridge Studies In Contentious Politics is one of the best book in our library for free trial. We provide copy of Rightful Resistance In Rural China Cambridge Studies In Contentious Politics in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rightful Resistance In Rural China Cambridge Studies In Contentious Politics. Where to download Rightful Resistance In Rural China Cambridge Studies In Contentious Politics online for free? Are you looking for Rightful Resistance In Rural China Cambridge Studies In Contentious Politics PDF? This is definitely going to save you time and cash in something you should think about.
